

|| OLYMPIC

Whether you are a beginner or a teacher, for over 80 years, Olympic instruments have been the ideal place to begin your journey. Today, the Olympic range includes a vast selection of marching, orchestral, and educational instruments, each designed to offer great value and reliability.

OLYMPIC

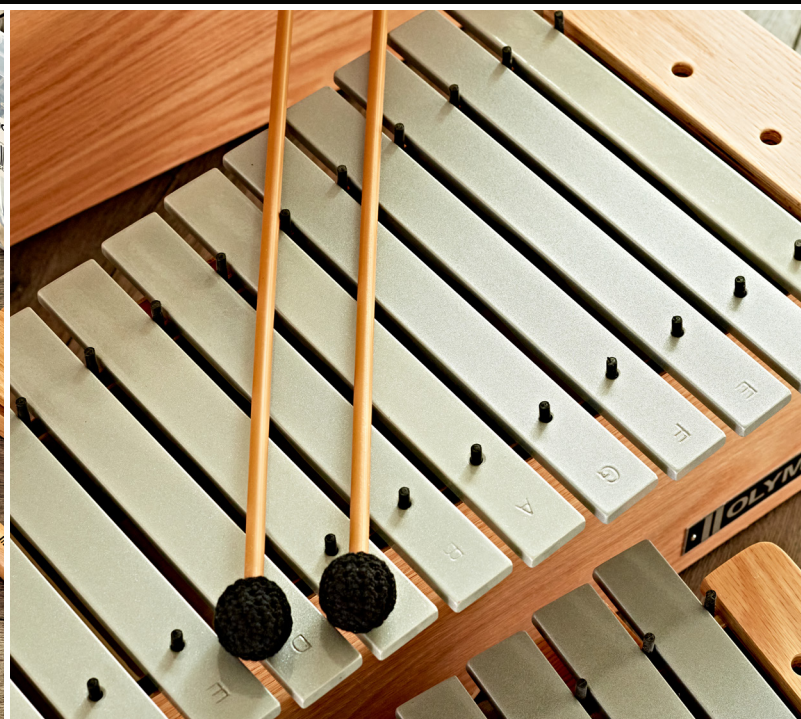

MARCHING

Olympic Marching Percussion caters to both beginners and full bands with its diverse range, including Traditional, Drum Corps, and High Tension drums for Scouts, Training Corps, Cadet Forces, and Showbands. Each drum includes a carrier and sticks/beaters, enabling immediate play. Whether you require an individual drum or a set for your band, Olympic is perfect for every ensemble, with marching bells, lyras, and maces also available.

OLYMPIC EDUCATION

Olympic Education Percussion is an excellent choice for schools and teachers. This range offers classroom packages containing everything you need to teach rhythms in music. It includes xylophones, glockenspiels, marimbas, hand drums, metallophones, bongos, congas, and djembes - a great way to introduce younger players to the basics of percussion.

ORCHESTRAL

Olympic Orchestral Percussion is ideal for orchestras, community bands, and school music programmes where budget considerations are necessary. Olympic's complete range includes glockenspiels, marimbas, bass drums, timpani, chimes, and more. Whether you belong to a musical conservatoire, brass band, or ensemble, Olympic serves as a cost-effective solution, providing exceptional value while maintaining a standard of quality that meets the demands of orchestral performances.
