FLEXSON ACES BASS

Our mount gets the SONOS Sub out from under foot!

SONOS PLAY:1 SPEAKERS CAN BE PUT IN THE IDEAL PLACE TO SOUND—AND LOOK—GREAT

FLEXSON FOR PLAY:1

BESPOKE SUPPORT FOR THE SMALLEST SONOS SPEAKER

The SONOS Play:1 is the latest superstar speaker in the wireless hi-fi system range, offering amazing performance from its small, but perfect dimensions. With Flexson's bespoke wall mounts and floorstands, SONOS Play:1 speakers can be put in the ideal place to sound – and look – great.

Designed and built in Britain by SONOS users for SONOS users, Flexson Play:1 brackets and stands are precision engineered to perfectly

match the size, style and colours of the new SONOS speaker.

Made from superior-quality steel, like all Flexson SONOS products they allow for neat cable routing, easy fitting and flexible placement.

For example, the Flexson Play:1 floorstands have bases designed so they can be slipped under sofas – great if you're using the speakers in a surround sound set-up with a SONOS Playbar and Sub.

FLEXSON PLAY:1 WALL MOUNTS AND STANDS PROVIDE PERFECT POSITIONING FOR BOTH SINGLE OR STEREO SONOS SET-UPS

FLEXSON PLAY:3 STANDS AND WALL MOUNTS ARE PRECISION ENGINEERED TO MATCH THE SPEAKER'S SIZE AND STYLE

FLEXSON FOR PLAY:3

SUPERIOR SUPPORT, HOWEVER YOU USE YOUR SONOS SPEAKERS

The SONOS Play:3 is one of the most popular speakers in the wireless hi-fi system range, thanks to its versatility. Our bespoke Flexson Play:3 wall mounts and floorstands match and complement this flexibility.

Designed and built in Britain by SONOS users for SONOS users, Flexson Play:3 brackets and stands are precision engineered to perfectly match the size, style and colours of the SONOS speaker.

Made from superior-quality steel, like all Flexson SONOS products they allow for neat cable routing, easy fitting and flexible placement.

Advanced tilt-and-swivel functionality allows Flexson Play:3 products to make the most of the speaker's ability to be used in either vertical or horizontal positions, and in both a music and surround sound context. However you want to enjoy your SONOS Play:3, Flexson has the support to suit.

PLAY:3 SPEAKERS CAN BE USED EITHER HORIZONTALLY OR VERTICALLY; FLEXSON IS EQUALLY AS FLEXIBLE!

FLEXSON'S PLAY:5 WALL MOUNT CAN ANGLE THE SPEAKER TO DELIVER MUSIC EXACTLY WHERE YOU WANT

FLEXSON FOR PLAY:5

BRING YOUR PLAY:5 ALIVE

Enjoy the room-filling sound of the big SONOS Play:5 speaker without it taking up so much space, by wall-mounting it on a bespoke Flexson bracket.

Made from superior-quality steel, like all Flexson SONOS products, the Play:5 wall mount allows for neat cable routing, easy fitting and flexible placement – so you can angle that superb sound to play exactly where you want it.

Coming Soon: Play:5 floorstand.

FLEXSON FOR SUB

SUPPORT YOUR SUB

The SONOS SUB adds bags of bass to your music, TV and movies, underpinning the performance of the Play speakers and Playbar. But this ace of bass doesn't have to take up floor space: with the Flexson SONOS SUB wall mount, you can lift it above carpets, skirting boards and more, all without affecting its awesome, sound. Like all Flexson products, the SONOS SUB wall-mount is bespoke built and simple to fit.
