JAZZ SERIES

Walnut over Birch

The Liberty Drums Jazz series is truly a statement of craftsmanship with the injection of vintage. This is the jazz kit that will bring out the jazzer in you. The Liberty 'Opex' bearing edge design really does create that classic vintage sound by the influence of increased head to shell contact, along with the sensitive snare design that captures those whispery strokes. A credit to English craftsmanship made ply by ply in the Liberty factory.

FEATURES

The Liberty Drums Jazz Series drums feature hand selected Finnish Birch wood shells combined with the latest Liberty Drums hardware components.

***Featured Jazz series Kit:** Walnut stain over 100% Finnish Birch shells finished with Satin Hard Wax

The Jazz Series is available in a 4-piece shell pack:

12" x 8" tom
