

G009BE/BF

LED Open Sign

IMPORTANT

Installer and Users please note:

These instructions should be read carefully and left with the user of the product for future reference.

BEFORE USE

You must inspect the sign including its PSU for any signs of damage. If the product is damaged, DO NOT use it, and contact your supplier immediately.

PRODUCT SAFETY

- Keep away from children.
- Make sure the hanging chain is secure before fitting the unit
- Switch the power supply off when not in use
- Check the unit, power supply and chain periodically for damage.

OPERATION AND FUNCTIONS

After fitting the sign in position using the chain provided, plug the power supply in to a socket and attach it to the sign via the input on the side marked 12V DC input.

The unit can be controlled by pressing the mode button on the side of the unit to select the appropriate setting.

CLEANING

Clean dust off with a paint brush or with a slightly damp cloth. Do not use strong detergents or cleaning agents as this might damage the product.

DISPOSAL AND RECYCLING

You must not dispose of this sign with domestic household waste.

Most local authorities have specific collection system for appliances and disposal is free of charge to the end-user.
