

ALLOS® FIFE Manual

HOW TO BLOW THE FIFE

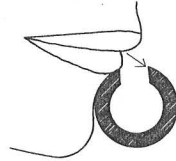

Lightly close both lips, make a small opening and blow as shown in the diagram below.

Close one quarter of the aperture with the lower lip.

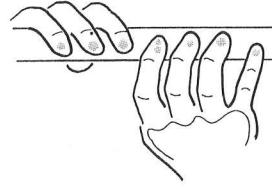

Blow across the aperture as shown.

POSITIONING OF FINGERS

Place finger tips over the holes.

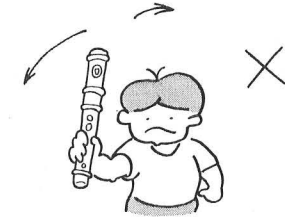

Support the fife between the thumb and forefinger of the left hand as shown.

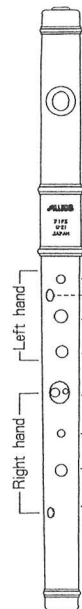

WARNING

Respect your instrument and other players, misuse of the instrument may injure others or yourself. Handle With Care!
