

# GAMUT PAR H7

7x10-Watt RGBAW/UV Hex PAR

The Gamut PAR H7 is a low-profile LED wash light with 6-in-1 LED color technology (RGBAW/UV) that generates a broad spectrum of colors, while maintaining a natural color temperature for effective target illumination. The sit-flat design and double hanging yoke ensure perfect mounting, while its 7 x 10-watt LEDs deliver smooth, even color output.

- (7) 10-watt RGBAW/UV 6-in-1 high-power LEDs
- Sit-flat design hugs the floor, enables easy cable access
- Mix wide range of colors directly from menu without external controller
- Variable strobe effect 1–13x/sec
- Power Linking for fast setup, fewer cables
- Multiple control options: DMX, Master/Slave, Sound-Active
- Master/Slave mode for using multiple fixtures in large settings
