

FOG 400 LED

Quick-Ready™ Water-Based Fog Machine

For those moments when you need the perfect special effect, the Fog 400 LED delivers 1500 cfm of mood-inducing fog at the touch of a button. Unlike other inexpensive foggers, it has three single-color LEDs and the included wired remote makes operation a snap. Fog 400 LED comes in four different housing colors, so it always fits right in.

- 400W fogger
- Wired push-button remote for user activation
- Powder-coated housing color for unique look (red, white, blue, black)
- Colored LEDs for “pyro” effect
