

AvantGrand Series and NU1 Hybrid Pianos

2+3 years
extended guarantee

[Please register your N3, N2, N1 or NU1 piano here](#) in order to extend your guarantee period from 2 years to 5 years. The registration process can be completed up to 6 months after purchase. The warranty extension is only valid if the original purchase receipt is submitted together with the warranty extension certificate. The warranty certificate is sent via email immediately after the registration process has been completed. The extended warranty is only valid in the countries listed on the registration page and for products purchased in those countries.
