Get the full Fat Channel Collection free when you purchase a StudioLive Series III S console or rack mixer.

If you purchased and registered a StudioLive Series III S console or rack mixer (StudioLive 32SC, StudioLive 32SX, StudioLive 32S, StudioLive 64S, StudioLive 16R, StudioLive 24R, StudioLive 32R) after July 1, you're eligible to receive the full Fat Channel Collection FREE!

To take advantage of this offer, please follow these steps:

1. Login to your user account at https://my.presonus.com. If you do not have a user account, please create an account at this time.

2. Follow the steps listed at this article to register your hardware:

   - https://support.presonus.com/hc/en-us/articles/360003304891--2b-Studio-One-4-Register-New-Hardware-and-Download-Installer

3. Once you have completed your hardware registration, a digital copy of your bundled software will be added to your user account available for immediate download and activation.

4. To install and activate your newly registered Fat Channel Plugins, please follow the steps listed in the two articles listed at this link:

   - https://support.presonus.com/hc/en-us/sections/360000942372-StudioLive-Series-III-Fat-Channel-Plugins
