Roland Wireless Connect

Connect your iPhone
and electronic
instruments wirelessly!

Air Recorder

V-Drums Friend Jam for iPhone

**Get connected
with your instruments,
your music, and the world.**

With wireless connectivity between Roland products and your iPhone, Roland Wireless Connect provides a new world of enjoyment with your electronic instruments.

Use the "Air Recorder" or "V-Drums Friend Jam" iPhone app and a wireless USB adaptor to enhance your skills and enjoyment — from recording and practicing to participating in online worldwide rankings.

For details on Roland Wireless Connect,

Connect your Roland instruments with these iPhone apps!

Air Recorder

Record your performance to your iPhone wirelessly. Record your performance as you jam along with your favorite songs!

Air Recorder lets you wirelessly send and receive data between your Roland instrument and iPhone. You can jam along with songs stored on your iPhone, and even record your performance to your iPhone. Air Recorder also supports audio-file transfer between your instrument and iPhone!

* Supports AudioCopy from Sonoma Wire Works.

V-Drums Friend Jam for iPhone

Have fun practicing V-Drums with your iPhone. Socialize and compete with drummers from around the world!

V-Drums Friend Jam is a social networking tool where drummers from over 140 countries and regions can compete — and it's now available as an iPhone app. Simply play your drums along with a song to take part in a worldwide ranking contest. Tweet your results and get connected with your friends! Friends from around the world are waiting for you to play!

Air Recorder and V-Drums Friend Jam for iPhone are available as free download from the iPhone App Store.

See website below for supported instruments.
