Stylish and safe: tilting TV wall mount for TVs from 19 to 43 inches

With this COMFORT Tilt TV wall mount, you are choosing style, safety and a pleasant viewing experience. The wall mount is ideal for when your TV is mounted a bit higher on the wall, for example in the bedroom. You can tilt it up to 20° to create the ideal viewing angle. The TV wall mount is suitable for TVs from 19 to 43 inches and weighing up to 15 kg.

Your TV nice and safely mounted

You only really enjoy your TV when you know that it is mounted nice and safely. The stylish COMFORT Tilt TV wall mount gives you that certainty. The wall mount is made for years of intensive use. Secure locking with an audible click The COMFORT Tilt TV wall mount is equipped with the unique ClickLoc™ security system. This system allows you to easily lock or release your TV from the wall mount. The audible click means that you can be sure your TV is securely locked in place. Soft patches on the TV wall mount protect the back of your TV while it is being mounted. TÜV certified COMFORT Tilt TV wall mounts are TÜV certified and tested to three times their maximum weight capacity. As a result, they meet the highest safety requirements. Easy to install Installing the COMFORT Tilt TV wall mount is quick and easy. To help you along, we have already included a drilling template, screws and Fischer® DuoPower plugs in the packaging. The wall mount itself has a built-in spirit level. You can read how to install everything in the Quick Installation Guide. You can also view the detailed manual and the special installation video online.
