Are you looking for a safe and stylish TV wall mount for your large flat screen TV? One that you can tilt because you want to mount your TV a bit higher on the wall, for example in your bedroom? If so, this COMFORT Tilt TV wall mount is the perfect choice. You can tilt it up to 20° to create the ideal viewing angle. The wall mount is suitable for large TVs from 40 to 77 inches and weighing up to 35 kg.

Carefree enjoyment

You would like to enjoy your beautiful flat screen TV without a worry in the world. So, you are looking for a nice solution that is safe and meets all of your requirements. This COMFORT Tilt TV wall mount guarantees that. Your TV safely protected. The COMFORT Tilt TV wall mount is equipped with the unique ClickLoc™ security system. Thanks to this system, you can lock your TV securely to the wall mount with an audible click. In addition, these TV wall mounts are tested to no less than three times their maximum weight capacity. Soft patches on the wall mount prevent you from scratching the back of your TV during mounting. Vogel's makes installation easy. The COMFORT Tilt TV wall mount is easy to install. Vogel's gives you a helping hand. We have included a drilling template, screws and Fischer® DuoPower plugs in the packaging. Simply mark out the first drill hole with our free DrillRight™ AR App and the wall mount has a built-in spirit level to make sure your TV is straight. You can read how to install everything in the Quick Installation Guide. Detailed instructions can be found online, where you will also find a handy installation video.
