Black

Key Benefits

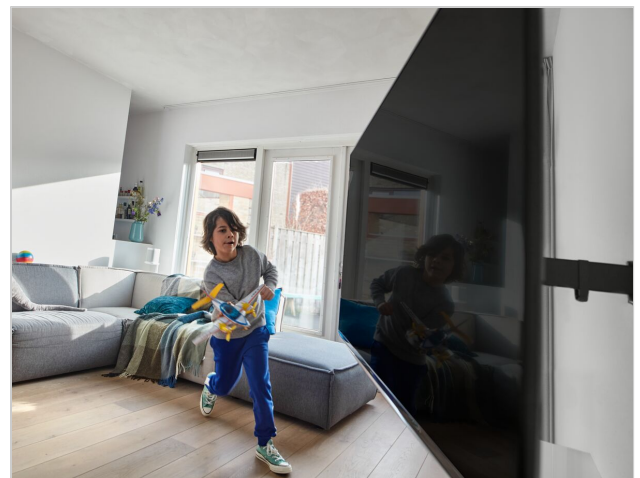

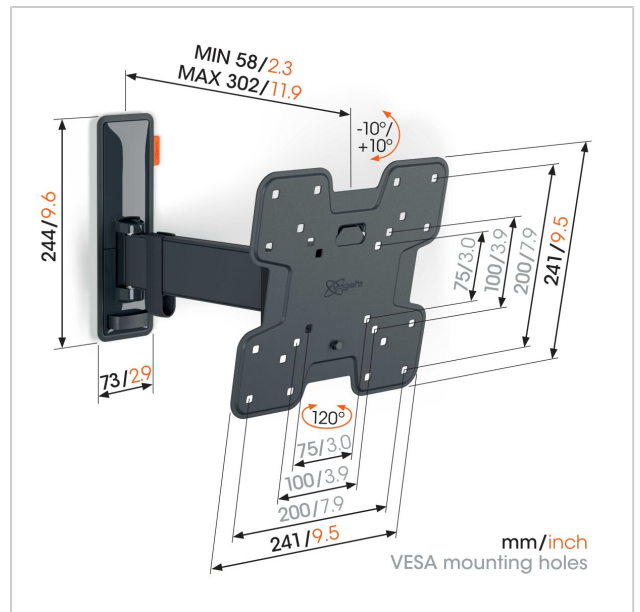

- Smooth OneFinger™ Movement
- Keep your TV always level (horizontally and vertically)
- Cable clip included: Guide your cables from TV to wall
- Effortless tilting - Avoid reflections and tilt up to -10° up to 10°
- Smoothly turn your TV up to 120°

Stylish and safe: full-motion TV wall mount for TVs from 19 to 43 inches

Safety, design and viewing comfort go hand in hand with this stylish COMFORT Full-Motion TV wall mount. The wall mount is specially designed for intensive use. It is very sturdy and guarantees an optimal viewing experience. You can turn the wall mount up to 120° and tilt it 20° (10° forwards and backwards). The wall mount is suitable for TVs from 19 to 43 inches and weighing up to 15 kg.

Optimal enjoyment of your TV

You want to enjoy your TV to the max. The COMFORT Full-Motion TV wall mount makes this possible. You can set the ideal viewing angle with just one finger, as the wall mount features One-Finger™ Movement. The secret is in the special bearings. This makes turning your TV very smooth and easy. Easy installation Your COMFORT Full-Motion TV wall mount is easy to install. Vogel's makes things easy for you in every way. A drilling template, screws, Fischer® DuoPower plugs, cable tie and spirit level are included in the packaging. To mark out the first drill hole, use our free DrillRight™ AR App. Quick installation instructions can be found in the Quick Installation Guide. A detailed manual and installation video are available online. TÜV certified COMFORT Full-Motion TV wall mounts are TÜV certified. This means, among other things, that they have been successfully tested to three times their maximum weight capacity. As a result, they meet the highest safety requirements. COMFORT Full-Motion TV wall mounts come with a 10-year guarantee.
