DIGITAL GRAND PIANOS

Gear4music

COMPARISON CHART

GDP-100

The GDP-100 Grand piano combines style and practicality to great effect; a beautifully polished ebony finish instrument combines natural touch and superior sounds at a size less imposing than the full grand. Making the GDP-100 Grand Piano a quality instrument offered at a breakthrough price.

GDP-200

The GDP-200 Digital Ensemble Grand Piano by Gear4music is a premium quality instrument offered at a great price. The GDP-200 features a beautiful polished ebony cabinet, along with realistic sounds and weighted hammer action keys, making it near indistinguishable from any acoustic.

GDP-500

The GDP-500 Digital Grand Piano features a powerful digital sound engine and triple sensor key-bed, giving you an organic and expressive performance. Complete with ivory feel key tops and built in practice feature. The GDP-500 offers the elegance of a traditional grand with the features of an advanced digital piano.
