Standby

Caution for AC mains lead

(For the AC mains plug of three pins)

For your safety, please read the following text carefully.

This appliance is supplied with a molded three-pin mains plug for your safety and convenience. A 5-ampere fuse is fitted in this plug. Should the fuse need to be replaced please ensure that the replacement fuse has a rating of 5-ampere and that it is approved by ASTA or BSI to BS1362.

Check for the ASTA mark or the BSI mark on the body of the fuse.

If the plug contains a removable fuse cover you must ensure that it is refitted when the fuse is replaced. If you lose the fuse cover the plug must not be used until a replacement cover is obtained. A replacement fuse cover can be purchased from your local dealer.

Before use

Remove the connector cover.

How to replace the fuse The location of the fuse differ according to the type of AC mains plug (figures A and B).

Confirm the AC mains plug fitted and follow the instructions below. Illustrations may differ from actual AC mains plug.

1. Open the fuse cover with a screwdriver.

2. Replace the fuse and close or attach the fuse cover.

(THEC445Z)

Preparing the remote control

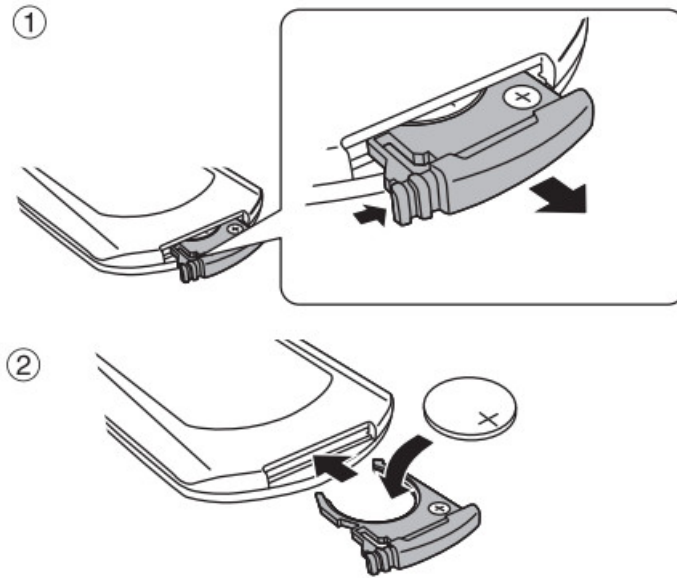

Before using for the first time

Remove the insulation sheet.

Replacing the battery

Replace with a new battery (CR2025 lithium battery).

Insert a new battery with the (+) side facing up.

Caution

Avoid the use in the following conditions

- High or low extreme temperatures during use storage or transportation.
- Replacement of a battery with an incorrect type
- Disposal of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery. that can result in an explosion. Extremely high temperature and/or extremely low air pressure can result in an explosion or the leakage of flammable liquid or gas.

Making the connections

Switch off all equipment before connection. Components and cables are sold separately. Connect the AC mains lead only after all the other connections have been made.

Connecting the TV

Connect an ARC compatible TV

Connect to the ARC-compatible terminal of the TV with an ARC-compatible high-speed HDMI cable.

ARC (Audio Return Channel) ARC is an HDMI function that lets you enjoy both sound and TV pictures with one HDMI cable, the optical digital audio cable that is usually required in order to listen to sound from a TV is no longer required.

Connect a non-ARC compatible TV

When connecting the optical digital audio cable, observe the orientation and insert the tip correctly into the terminal.

Connecting the AC mains lead

Note: The active subwoofer is in standby condition when the AC mains lead is connected. The primary circuit is always live" as long as the AC mains lead is connected to an electrical outlet.

Overview of controls

1. Standby/on switch /1 [] Press to switch the unit from on to standby mode or vice versa.
In standby mode, the unit is still consuming a small amount of power.

For Australia and New Zealand

Disposal of Old Equipment and Batteries Only for European Union and countries with recycle systems

These symbols are only valid in the European Union and countries with recycling systems.

If you wish to discard this product, please contact your local authorities or dealer and ask for the correct method of disposal.

Panasonic Warranty

1. Subject to the conditions of this warranty Panasonic or its Authorised Service Centre will perform necessary service on the product, without charge for parts or labor, if in the opinion of Panasonic the product is found to have a manufacturing defect within one (1) year or (12 months) (the warranty period¹) from the date of purchase appearing on your purchase receipt.
2. This warranty only applies to Panasonic products purchased in Australia and sold by Panasonic Australia, its Authorised Distributors or Dealers, and only where the products are used and serviced within Australia or its territories. Warranty cover only applies to the services that are carried out by a Panasonic Authorised Service Centre and only if valid proof of purchase is presented when the warranty service is requested.
3. This warranty only applies if the product has been installed and/or used in accordance with the manufacturer's recommendations (as noted in the operating instructions) under normal use and reasonable care (in the opinion of Panasonic). The warranty does not cover damage, malfunction or failure resulting from use of incorrect voltages, incorrect installation, accident, misuse, neglect, build-up of dirt or dust, abuse, maladjustment of customer controls, mains supply problems, thunderstorm activity, infestation by insects or vermin, tampering or repair by unauthorized persons (including unauthorized alterations), exposure to abnormally corrosive conditions, or any foreign object or matter having entered the product.
4. This warranty does not cover the following items unless the fault or defect existed at the time of purchase:
 - a. Consumable parts
 - b. Cosmetic parts
 - c. Worn or damaged parts
 - d. Information stored on Hard Disk Drives, Optical Discs, USB Devices, SD Cards, Tapes
 - e. DTV reception issues caused by TV Aerial / Cabling / Wall socket(s)
5. Some products may be supplied with Ethernet connection hardware. The warranty is limited on such products and will not cover:
 - a. Internet and or DLNA connection/setup related problems
 - b. Access fees and or charges incurred for internet connection
 - c. Incompatible software or software not specifically stipulated in the product operations manual; and
 - d. Any indirect or consequential costs associated with the incorrect use or misuse of the hardware, its connection to the internet or any other device.
6. To claim warranty service, when required, you should:
 - Contact Panasonic's Customer Care Centre on 132 600 for Service Centre information.

- Confirm the opening and acceptance times with the Authorised Service Centre that you choose.
 - Then send or take the product to a Panasonic Authorised Service Centre together with your proof of purchase receipt.
 - Any freight and insurance costs associated with the transport of the product to and/or from your nearest Authorised Service Centre must be arranged and paid for by
7. The warranties hereby conferred do not extend to, and exclude, any costs associated with the installation, de-installation, or re-installation of a product, including costs related to the mounting, de-mounting or remounting of any screen, (and any other ancillary activities), delivery, handling, freighting, transportation or insurance of the product or any part thereof or replacement of and do not extend to, and exclude, any damage or loss occurring by reason of, during, associated with, or related to such installation, de-installation, re-installation or transit.

Panasonic Authorised Service Centres are located in major metropolitan areas and most regional centres of Australia, however, coverage will vary depending on product. For advice on exact Authorised Service Centre locations for your product, please telephone our Customer Care Centre on 132 600 or visit our website and use the Service Centre Locator. In addition to your rights under this warranty, Panasonic products come with consumer guarantees that cannot be excluded under the Australian Consumer Law. If there is a major failure with the product, you can reject the product and elect to have a refund or to have the product replaced or if you wish you may elect to keep the goods and be compensated for the drop in value of the goods. You are also entitled to have the product repaired or replaced if the product fails to be of acceptable quality and the failure does not amount to a major failure. If there is a major failure in regard to the product which cannot be remedied then you must notify us within a reasonable period by contacting the Panasonic Customer Care Centre. If the failure in the product is not a major failure then Panasonic may choose to repair or replace the product and will do so in a reasonable period of time from receiving notice from you.

THIS WARRANTY CARD AND THE PURCHASE DOCKET (OR SIMILAR PROOF OF PURCHASE) SHOULD BE RETAINED BY THE CUSTOMER AT ALL TIMES

If you require assistance regarding warranty conditions or any other inquiries, please visit the Panasonic Australia website www.panasonic.com.au or contact by phone on 132 600 It phoning In, please ensure you have your operating instructions available.
