

trains

FILENAME	DESCRIPTION
TR EXT Drive By Freight Train, Brakes Squeal Short.wav	Short squeaking sound of freight train brakes. Stereo.
TR EXT Drive By Freight Train, Brakes Squeal Short Vent Steam.wav	Short squeaking sound of freight train. Some clacking sounds and vent steam release. Stereo.
TR EXT Drive By Freight Train, Ambience Under Bridge.wav	Long freight train driving on bridge, recorded under bridge. Light, low frequency rumble. Stereo.
TR EXT Drive By Fast Train, Ambience Under Bridge.wav	Long ICE driving on bridge, recorded under bridge. Light, low frequency rumble. Stereo.
TR EXT Drive By Passenger Train, Ambience Under Bridge, Airy.wav	Short passenger train driving slow on bridge, recorded under bridge. Light, low frequency rumble. Stereo.
TR EXT Drive By Passenger Train, Ambience Under Bridge, Short Squeak.wav	Short passenger train driving slow on bridge, recorded under bridge. Low frequency squeak at start and rumble. Some rattling elements. Stereo.
TR EXT Drive By Passenger Train, Ambience Under Bridge, Rattling.wav	Short passenger train driving slow on bridge, recorded under bridge. Low frequency rumble and light rattling metal elements. Stereo.
TR EXT Drive By Passenger Train, Ambience Under Bridge.wav	Short passenger train driving on bridge, recorded under bridge. Rumbling in low frequency and low rattling in background. Stereo.
TR EXT Drive By Passenger Train, Ambience Under Bridge, Light Clacking.wav	Short passenger train driving slow on bridge. Light and low frequency rumbling recorded under bridge. Stereo.
TR EXT Drive By Passenger Train, Ambience Under Bridge, Low Clacking.wav	Short passenger train driving slowly on bridge, recorded under bridge. Low frequency rumble with light and low rattling elements in the background. Stereo.
TR EXT Drive By Passenger Train, Ambience Under Bridge, Light Creaking.wav	Short passenger train driving slow on bridge. Light and low squeaking at the beginning. Low frequency rumble recorded under bridge. Stereo.
TR EXT Drive By Passenger Train, Ambience Under Bridge, Light Squealing.wav	Short passenger train driving on bridge, recorded under bridge. Light, low frequency rumble with very light squeaking elements in the background. Stereo.
TR EXT Drive By Passenger Train, Ambience Under Bridge, Light Rattling.wav	Short passenger train driving slow on bridge. Low frequency squeak at the beginning recorded under bridge. Some rattling elements and low frequency rumble. Stereo.
TR EXT Arrival Passenger Train, Door Opening.wav	Passenger train arrival with clacking and light squeaking parts. Door opening sounds and air release. Stereo Encoded from Double M/S.
TR EXT Arrival Passenger Train, Tonal.wav	Passenger train arrival with light clacking and squeaking parts. Air release and engine noise in the end. Stereo Encoded from Double M/S.
TR EXT Arrival Passenger Train, Tonal Squeak.wav	Passenger train arrival with low clacking and light squeaking sounds. Air release in the end. Stereo Encoded from Double M/S.
TR EXT Arrival Passenger Train, Light Clacking.wav	Passenger train arrival at platform. Squeaking parts and low clacking sounds. Stereo Encoded from Double M/S.
TR EXT Arrival Passenger Train, Air Release.wav	Passenger train arrival at platform. Air release at beginning, light squeaking sounds and clacks. Stereo Encoded from Double M/S.
TR EXT Arrival Passenger Train, Long Squeak.wav	Passenger train arrival at platform. Air release at beginning, braking and squeaking sound. Stereo Encoded from Double M/S.
TR EXT Arrival Passenger Train.wav	Passenger train arrival at platform. Some metal clacks, light squeak and air release at end. Stereo Encoded from Double M/S.
TR EXT Arrival Passenger Train, Metal Squeak.wav	Passenger train arrival at platform. Air release, low clacks and resonating parts. Stereo Encoded from Double M/S.
TR EXT Arrival Passenger Train, Short Air Releases.wav	Passenger train arrival at platform. Pipe sounds, metal squeaking parts and air release. Stereo Encoded from Double M/S.
TR EXT Arrival Passenger Train, Pumping, Electro Hum.wav	Passenger train arrival at platform. Metal squeaks at beginning followed by some resonating parts and air release. Stereo Encoded from Double M/S.
TR EXT Departure Passenger Train, Engine Wind Up.wav	Passenger train departs from platform. Engine noise and low clacking sound. Stereo Encoded from Double M/S.
TR EXT Departure Passenger Train, Light Squeaks.wav	Passenger train departure. Resonating parts and light squeaking sounds. Stereo Encoded from Double M/S.
TR EXT Departure Passenger Train, Air Release.wav	Passenger train departure. Light air release at beginning and low clacks. Stereo Encoded from Double M/S.
TR EXT Departure Passenger Train, Resonating.wav	Passenger train departure. Resonating parts and low clacks. Stereo Encoded from Double M/S.
TR EXT Departure Passenger Train, High Wind Up.wav	Passenger train departure. Low clacks in background and very light rattling parts. Stereo Encoded from Double M/S.
TR EXT Departure Passenger Train, Rattling.wav	Passenger train departure. Resonating metal and light rattling parts and low clacks. Stereo Encoded from Double M/S.

trains

TRAINS - STEREO VERSION - DATA SHEET

FILENAME	DESCRIPTION
TR EXT Departure Passenger Train, Clackings.wav	Resonating parts, clacks and light squeaking sound int the end. Stereo Encoded from Double M/S.
TR EXT Departure Passenger Train, Light Horn.wav	Resonating and light rattling parts. Light horn in background. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train, Diesel Engine Fast.wav	Short and fast drive by of diesel engine. Air release and squeaking parts. Stereo.
TR EXT Drive By Freight Train, Diesel Engine Loud Honk.wav	Short diesel loco drive by with horn at beginning. Some rattling engine parts. Stereo.
TR EXT Drive By Freight Train Diesel Loco, Branches Coupling Stop.wav	Short diesel loco driving slow. Branches hitting train. Rustling and squeaking elements. Heavy coupling sound in the end. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Docking Start.wav	Short diesel loco start. Docking in the beginning. Branches hitting train. Rustling and squeaking elements. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Docking Stop.wav	Short diesel loco drive by and stop. Docking sounds in the end. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, On Rail, Horn.wav	Short diesel loco drive by with horn in the background. Grinding, clacking and light rattling sounds. Mono.
TR EXT Drive By Freight Train Diesel Loco, On Rail, Clacking.wav	Short diesel loco drive by with grinding parts, enginge noise and some clacking sounds. Mono.
TR EXT Drive By Freight Train Diesel Loco, On Rail, Light Squealing.wav	Short diesel loco drive by with engine noise, grinding parts and clacking sounds. Mono.
TR EXT Drive By Freight Train Diesel Loco, On Rail, Grinding.wav	Short and slow diesel loco drive by with grinding parts, engine noise and clacking sound. Mono.
TR EXT Drive By Freight Train Diesel Loco, On Rail, Light Squeaking.wav	Short and slow diesel loco drive by with grinding parts, clacking sounds and light low rumble. Mono.
TR EXT Drive By Freight Train Diesel Loco, On Rail, Engine.wav	Short diesel loco drive by with engine noise and light grinding sound. Mono.
TR EXT Departure Freight Train Diesel Loco, On Rail, Air Release.wav	Diesel loco drive by. Train departing. Long air release, grinding parts, light sqeaking elements and clacking sounds. Mono.
TR EXT Arrival Freight Train Diesel Loco, On Rail, Air Release.wav	Diesel loco drive by. Train incoming and stopping. Long air release, grinding parts, light squeaking elements and clacking sounds. Mono.
TR EXT Departure Freight Train Diesel Loco, On Rail, Squeaking.wav.wav	Diesel loco drive by. Train departing. Enginge noise, squeaking and grinding parts, clacks and long air release. Mono.
TR EXT Arrival Freight Train Diesel Loco, On Rail, Squeaking.wav.wav	Diesel loco drive by. Train incoming and stopping. Enginge noise, squeaking and grinding parts, clacks and long air release. Mono.
TR EXT Drive By Freight Train Diesel Loco, On Rail Incoming.wav	Diesel loco drive by. Train incoming and stopping. Enginge noise, long air release and light grinding parts. Mono.
TR EXT Drive By Freight Train Diesel Loco, On Rail Squeaks, Low Clacking.wav	Short diesel loco drive by. Sqeaking and low clacking sounds. Mono.
TR EXT Drive By Freight Train Diesel Loco, On Rail Squeaks, Grinding.wav	Short diesel loco drive by with grinding parts and squeaking sounds. Mono.
TR EXT Drive By Freight Train Diesel Loco, On Rail Squeaks, Light Clicking.wav	Short diesel loco drive by with squeaking sounds, grinding elements and low clacking parts. Mono.
TR EXT Drive By Freight Train Diesel Loco, On Rail Squeaks, Light Rattling.wav	Short diesel loco drive by with low clacking and grinding sounds. Squeaking parts. Mono.
TR EXT Drive By Freight Train Diesel Loco, On Rail Squeaks, Light Grinding.wav	Short diesel loco drive by with squeaking sounds, grinding and low clacking parts. Mono.
TR EXT Drive By Freight Train Diesel Loco, Short Clacking.wav	Short diesel loco drive by with some clacking and rustling in the background. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Low Clacking.wav	Short diesel loco drive by with squeaking and clacking elements. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Grinding.wav	Short and slow diesel loco drive by with light scratching sound of the tracks and clacking in the background. Light and short steam sound at the end. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Light Scratching.wav	Short and slow diesel loco drive by with clacking and light scratching sound. Engine noise drive by at the end. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Light Squeaking.wav	Short and slow diesel loco drive by with clacking and scratching elements. Squeak in the background and a engine noise drive by with pneumatic sound in the end. Stereo Encoded from Double M/S.

trains

TRAINS - STEREO VERSION - DATA SHEET

FILENAME	DESCRIPTION
TR EXT Drive By Freight Train Diesel Loco.wav	Short and slow diesel loco drive by with engine noise. Scratching and clacking elements. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Engine Noise.wav	Short and slow diesel loco drive by with engine noise and scratching and clacking elements and light squeaking sound in the background. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Creaking.wav	Short and slow diesel loco drive by with clacking and squeaking elements at start followed by engine noise. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Air Release.wav	Short and slow diesel loco drive by with short steam sound at the beginning followed by light clacking and scratching elements and engine noise. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Light Grinding.wav	Short and slow diesel loco drive by with light scratching and clacking elements at start followed by engine noise. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Light Rattling.wav	Short and fast diesel loco drive by with engine noise. Clacking and scratching elements. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Light Clacking.wav	Short and slow diesel loco drive by with light clacking and scratching elements at start followed by engine noise. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Short Depart Horn.wav	Short and slow diesel loco drive by with horn at start. Train departure with light clacking and squeaking elements. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Short Horn.wav	Short and slow diesel loco departure and drive by with horn at start followed by engine noise. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Short Horn, Light Grinding.wav	Short and slow diesel loco drive by with long horn. Light squeaking at start followed by engine noise and clacking elements. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Short Horn, Light Squeaking.wav	Short and slow diesel loco drive by with long horn sound. Engine sound and light clacking elements. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Long Horn.wav	Short and slow diesel loco drive by with distant long horn sound. Light clacking and scratching elements. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Short Horn, Light Air Release.wav	Short and slow diesel loco drive by with horn at start. Engine noise and light rustling elements in the background. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Short Squeak, Light Clacking.wav	Short diesel loco drive by with squeaking and light clacking elements of the tracks. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Short Squeak.wav	Short diesel loco drive by with squeak sounds and clacking elements followed by engine noise. Stereo.
TR EXT Drive By Freight Train Diesel Loco, Short Squeak, Light Grinding.wav	Short diesel loco drive by with light scratching and clacking sound at start followed by squeaking track sounds. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Short Squeak, Light Scratching.wav	Short squeaking diesel loco drive by with engine noise and clacking parts. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Short Squeak, Low Clacking.wav	Short diesel loco drive by with light clacking elements and harsh squeaking sound. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Short Squeak, Grinding.wav	Short diesel loco drive by with light clacking sounds and squeaking elements. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Short Squeak, Light Creaking.wav	Short diesel loco drive by with light clacking at start and squeaking noise in the end. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Short Squeak, Low Rumbling.wav	Short diesel loco drive by with engine noise and squeaking sound. Some clacking elements. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Short Squeak, Light Squealing.wav	Short diesel loco drive by with squeaking and clacking sound elements. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Short Squeak, Creaking.wav	Short squeaking and clacking diesel loco drive by with some engine noise Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train Diesel Loco, Slow, Clacking.wav	Short diesel loco drive by with docking and clacking sounds. Light scratches in the background. Stereo Encoded from Double M/S.
TR EXT Departure Freight Train, Diesel Loco High Squeaks.wav	Diesel loco start with some squeaks at the beginning followed by light clackings. Stereo Encoded from Double M/S.
TR EXT Departure Freight Train, Diesel Loco Engine.wav	Diesel loco start with light scratching sound in the background. Engine noise followed by short air steam release. Stereo Encoded from Double M/S.
TR EXT Departure Freight Train, Diesel Loco Light Rattle.wav	Diesel loco start with light rattling elements and engine noise. Stereo Encoded from Double M/S.
TR EXT Arrival Freight Train, Diesel Loco, Docking.wav	Short diesel loco drive by stopping with light scratching elements. Engine sound followed by heavy docking and pneumatics. Stereo Encoded from Double M/S.
TR EXT Arrival Freight Train, Diesel Loco, Pneumatics.wav	Short diesel loco drive by stopping with scratching and clacking elements. Pneumatic sound in the end. Stereo Encoded from Double M/S.

trains

FILENAME	DESCRIPTION
TR EXT Arrival Freight Train, Diesel Loco, Light Squeak.wav	Short diesel loco drive by stopping with light squeak sounds and engine noise. Light pneumatic sound in the end. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train Double Deck.wav	Double deck passenger train drive by. Clacks and engine sound. Stereo Encoded from Double M/S.
TR EXT Arrival Passenger Train Double Deck.wav	Arrival of double deck passenger train. Resonating parts and braking and squeaking sound in the end. Stereo Encoded from Double M/S.
TR EXT Departure Passenger Train Double Deck.wav	Departure of double deck passenger train. Grinding and squeaking sounds. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train Double Deck, Airy.wav	Short double deck passenger train drive by with light clacking sounds in the background. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train Double Deck, Rattling.wav	Short double deck passenger train drive by with rattling and clacking elements. Stereo Encoded from Double M/S.
TR EXT Drive By Modern Train, Clacking.wav	Short electric train drive by with clacks and a light squeaking sound. Stereo.
TR EXT Drive By Modern Train, Light Clacking.wav	Short electric train drive by with clacks, rattling elements and a light squeaking sound. Stereo.
TR EXT Drive By Modern Train, Howling.wav	Short electric train drive by with clacking sounds. Stereo.
TR EXT Drive By Freight Train.wav	Drive by of freight train. Squeaking and rattling parts. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train, Distance.wav	Drive by ambience of freight train recorded in far distance with squeaking sounds and low clacks. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train, Short Creaking.wav	Short and fast freight train drive by. Light clack at start followed by rattling sounds and light squeaks in the background. Stereo.
TR EXT Drive By Freight Train, Rattling.wav	Short and fast freight train drive by. Light rattling fence at start and soft squeaks in the background. Stereo.
TR EXT Drive By Freight Train, High Hiss.wav	Short and fast freight train drive by. Light squeaking elements in the background. Stereo.
TR EXT Drive By Freight Train, Light Squealing.wav	Short and fast freight train drive by with squeaking and rattling elements. Stereo.
TR EXT Drive By Freight Train, Fast.wav	Short and fast freight train drive by rattling parts and squeaking sounds. Stereo.
TR EXT Drive By Freight Train, Squeaking.wav	Long and fast freight train drive by with rattling elements and squeaks in the background. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train, Grinding.wav	Long drive by of fast freight train with some rattling and squeaking elements. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train, Clacking.wav	Long and fast freight train drive by with light scratching, squeaking, rattling and clacking elements. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train, Long Fast Container.wav	Long drive by of freight train loaded with containers. Some light rattling parts and soft squeaking elements. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train, Long Fast Empty.wav	Drive by of long and empty freight train. Scratching sounds and rattling part. Some squaking elements in the background. Stereo Encoded from Double M/S.
TR EXT Drive By Freight Train, Short.wav	Short freight train drive by. With heavy scratching parts and rattling and clacking elements. Stereo.
TR EXT Drive By Freight Train, High Rattling.wav	Slow and long freight train drive by with scratching and rattling parts. Some squeaks in the background. Stereo.
TR EXT Drive By Freight Train, Airy.wav	Slow and long freight train drive by with some rattling parts and clacking sounds. Stereo.
TR EXT Drive By Freight Train, Slow Passenger Train, Slow.wav	Drive by of a slow freight train crossing a slow passenger train. Some rattling parts in the background and clacking elements. Stereo.
TR EXT Drive By Freight Train, Small Depart.wav	Slow freight train drive by with grinding parts, rattling elements and some squeaking sounds. Coupling sound at beginning. Stereo.
TR EXT Drive By Freight Train, Electric Sizzle Brakes Squeal.wav	Drive by of freight train with electric sizzle. Air release, braking and squeaking sounds. Stereo.
TR EXT Drive By Modern Train, Light Squeaking.wav	Drive by of electric train. Squeaking parts and low clacks. Stereo.
TR EXT Drive By Modern Train, Airy.wav	Drive by of electric train. Airy recording with low clacks. Stereo.

trains

FILENAME	DESCRIPTION
TR EXT Drive By Freight Train, Hard Clacking.wav	Long drive by of freight train. Rattling parts and low rumbling elements. Clacking parts and light grinding sound. Stereo.
TR EXT Drive By Freight Train, Light Howling.wav	Drive by of freight train. Clacking and grinding parts. And light rattling parts in the end. Stereo.
TR EXT Drive By Freight Train, Light Squeaking.wav	Drive by of freight train. Grinding and rattling parts. Low clacks. Stereo.
TR EXT Drive By Freight Train, Light Clacking.wav	Drive by of freight train. Low clacking parts and grinding elements. Stereo.
TR EXT Drive By Freight Train, Squealing.wav	Drive by of freight train. Light air release at start. Low rumble and metal rattling parts. Some metal clacks in the end. Stereo.
TR EXT Drive By Freight Train Low Rumbling.wav	Drive by of freight train. Low rumble, light grinding sound and rattling parts. Stereo.
TR EXT Drive By Locomotive, Low Rumbling.wav	Drive by of locomotive. Low rumbling with some steam sound. Stereo.
TR EXT Drive By Locomotive, Low Clacking.wav	Drive by of locomotive. Clacking sounds and light air release. Stereo.
TR EXT Drive By Locomotive, Light Grinding.wav	Drive by of locomotive. Engine noise and light squeaking sounds. Stereo.
TR EXT Drive By Locomotive, Long Howling.wav	Drive by of locomotive. Clacking sounds and engine noise. Stereo.
TR EXT Drive By Locomotive, Light Clacking.wav	Drive by of locomotive. Engine noise and metal clacking sounds. Light grinding parts. Stereo.
TR EXT Drive By Passenger Train.wav	Drive by of passenger train. Light engine noise and light clacking parts. Stereo.
TR EXT Drive By Locomotive.wav	Low rumbling drive by of passenger train "Taurus". Some metal clacking sounds in the end. Stereo.
TR EXT Drive By Two Locomotives 01.wav	Drive by of two locomotives. Engine noise and some grinding sounds. Stereo.
TR EXT Drive By Two Locomotives 02.wav	Drive by of two locomotives. Engine noise, clacks and light grinding sound. Stereo.
TR EXT Drive By Fast Train, Fast.wav	Fast ICE drive by with some clacking sounds. Stereo Encoded from Double M/S.
TR EXT Drive By Fast Train, Howling.wav	Fast and long ICE drive by with clacks. Stereo Encoded from Double M/S.
TR EXT Drive By Fast Train, Light Squeaking.wav	Fast and long ICE drive by with clacking elements. Stereo Encoded from Double M/S.
TR EXT Drive By Fast Train, Light Creaking.wav	Fast and long ICE drive by with light clacking sounds in the background. Stereo Encoded from Double M/S.
TR EXT Drive By Fast Train, Airy.wav	Fast and long ICE drive by with light clacking elements. Stereo Encoded from Double M/S.
TR EXT Drive By Fast Train, Low Clacking.wav	Slow ICE drive by with light squeaking and rattling parts. Stereo Encoded from Double M/S.
TR EXT Drive By Fast Train, Light Airy.wav	Slow ICE drive by with light clacking parts and a bit rumbling character. Stereo.
TR EXT Drive By Fast Train, Grinding.wav	Slow ICE drive by with clacking elements followed by squeaking sound in the end. Stereo.
TR EXT Drive By Fast Train, Air Release.wav	Slow ICE drive by with light squeaking sound at start followed by pneumatic element and some rattling parts. Stereo.
TR EXT Drive By Fast Train, Creaking.wav	Slow ICE drive by with light seaking sound at start followed by rattling and clacking parts. Short pneumatic sound at end. Stereo.
TR EXT Drive By Fast Train, Light Rattling.wav	Slow ICE drive by with rumbling parts and high rattling elements. Stereo.
TR EXT Drive By Fast Train, Light Squealing.wav	Slow drive by of ICE. Light rattling parts and clacking sounds. Stereo Encoded from Double M/S.
TR EXT Drive By Fast Train, Metal Rattling.wav	Slow drive by of ICE. Rattling parts, clacking and light squeaking sounds. Stereo Encoded from Double M/S.
TR EXT Drive By Fast Train, Squeaking.wav	Slow drive by of ICE. Clacking and rattling parts. Stereo Encoded from Double M/S.

trains

TRAINS - STEREO VERSION - DATA SHEET

FILENAME	DESCRIPTION
TR EXT Drive By Freight Train, Idle and Pneumatic Brake.wav	Slow and short drive by of diesel engine. Idle engine, pneumatic and breaking sound. Stereo.
TR EXT Drive By Locomotive, Brake, Accelerate.wav	Locomotive drive by. Train braking and accelerating. Electric sizzle, squeaking and braking sounds. Stereo.
TR EXT Drive By London Overground, Fast Airy.wav	Fast and airy drive by of London overground train. Some clacking and squeaking elements. Stereo.
TR EXT Drive By London Overground, Fast Buzz.wav	Fast London overground train drive by with heavy squeaking parts. Stereo.
TR EXT Drive By London Overground, Medium Airy.wav	Airy London overground train drive by with some squeaking elements and light clacking parts. Stereo.
TR EXT Drive By London Overground, Medium Buzz Airy.wav	London overground train drive by with some squeaking and clacking parts at start and end. Stereo.
TR EXT Drive By London Overground, Slow Airy.wav	Slow London overground train drive by. Light squeaking sound at end. Stereo.
TR EXT Drive By Freight Train, Long Fast.wav	Long freight train drive by with rattling and squeaking parts. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train, Harsh Squealing.wav	Driveby of passenger train. High frequency squeaks and clacks with some grinding sound. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train, Short Clacking.wav	Drive by of passenger train. Low clacking sounds and rattling parts. Some grinding elements. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train, Light Clacks.wav	Drive by of passenger train. Low clacking and light rattling parts. Stereo Encoded from Double M/S.
TR EXT Arrival Passenger Train, Resonating Metal.wav	Arrival of passenger train. Rattling and resonating parts. Some clacks and light air release in the end. Stereo Encoded from Double M/S.
TR EXT Arrival Passenger Train, Two Tone Squeak.wav	Arrival of passenger train. Low rumble at start. Braking and squeaking sounds in the end. Stereo Encoded from Double M/S.
TR EXT Arrival Passenger Train, Howling, Slow Squeaks.wav	Arrival of passenger train. Light rattling parts. Braking and squeaking sounds. Light air release in the end. Stereo Encoded from Double M/S.
TR EXT Departure Passenger Train, Light Howling.wav	Departure of passenger train. Rattling parts and some clacks. Stereo Encoded from Double M/S.
TR EXT Departure Passenger Train, Squealing.wav	Departure of passenger train. Rattling and resonating parts with low clacks. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train, Jarring.wav	Fast passenger train drive by with rattling and squeaking parts. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train, High Rattling.wav	Fast passenger train drive by with rumbling and rattling parts and some squeaks. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train, Long Creaking.wav	Fast passenger train drive by with light squeaking track at start. Rattling fence in the background. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train, Little Rattling.wav	Fast passenger train drive by with light rattling parts. Stereo.
TR EXT Drive By Passenger Train, Long Rattling.wav	Fast passenger train drive by with squeaking part at start, rattling fence in the background. Light pneumatic sound at end. Stereo.
TR EXT Drive By Passenger Train, Slightly Clacking.wav	Fast passenger train drive by with light clacking sounds. Stereo.
TR EXT Drive By Passenger Train, Fast Short Creaking.wav	Fast passenger train drive by with squeaking tracks at start followed by light clacking sounds. Stereo.
TR EXT Drive By Passenger Train, Steam Release.wav	Fast passenger train drive by with squeaking tracks at start followed by light clacking and rattling sounds. Stereo.
TR EXT Drive By Passenger Train, Squeaking Tracks.wav	Fast passenger train drive by with squeaking tracks at start clacking parts and a light rattling fence in the end. Stereo.
TR EXT Drive By Passenger Train, Little Clacking.wav	Fast passenger train drive by with rattling parts and light clacking sounds. Stereo.
TR EXT Drive By Passenger Train, Squealing Tracks.wav	Fast passenger train drive by with squeaking tracks at beginning followed by rattling and squeaking sounds. Stereo.
TR EXT Drive By Passenger Train, Scratching Tracks.wav	Fast passenger train drive by with scratching tracks and light squeaking and clacking parts. Stereo.
TR EXT Drive By Passenger Train, High Squealing.wav	Short and fast passenger train drive by with clacking parts and light rattling elements. Stereo.

trains

TRAINS - STEREO VERSION - DATA SHEET

FILENAME	DESCRIPTION
TR EXT Drive By Passenger Train, Resonating.wav	Fast passenger train drive by with rattling parts and light clacking elements. Stereo.
TR EXT Drive By Passenger Train, Rattling Fence.wav	Fast passenger train drive by with rattling parts and squeaking elements. Stereo.
TR EXT Drive By Passenger Train Fast and Fast Train Slow.wav	Drive by of a passenger train crossing an ICE. Light clacking sounds with high rattling parts and some short pneumatics. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train Fast and Passenger Train Slow.wav	Drive by of passenger train crossing a slow passenger train. Squeaking parts at beginning followed by clacking elements. Stereo.
TR EXT Drive By Passenger Train, Light Squeaking.wav	Fast and short passenger train drive by with clacking part at start. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train, Fast Howling.wav	Fast and short passenger train drive by with light scratching elements in the end. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train, Light Creaking.wav	Fast and short passenger train drive by with light scratching tracks at start. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train, Windy.wav	Fast and short passenger train drive by with light rumbling character. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train, Squealing.wav	Fast and short passenger train drive by with resonating part at beginning. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train, Light Clacking.wav	Fast and short passenger train drive by with light clacking parts at end. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train, Short Squeaking.wav	Fast and short passenger train drive by with light and short resonating part in the end. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train Fast and Passenger Train Fast.wav	Drive by of passenger train crossing another passenger train. Some clacking parts and short pneumatics. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train, Rattling.wav	Slow passenger train drive by with a rumbling character and light clacking sounds. Stereo Encoded from Double M/S.
TR EXT Drive By Passenger Train, Airy.wav	Slow passenger train drive by with clacking parts and squeaking elements. Stereo.
TR EXT Drive By Passenger Train, Grinding.wav	Slow passenger train drive by with rumbling character and high frequency scratching. Stereo.
TR EXT Drive By Passenger Train, Low Clacking.wav	Slow passenger train drive by with high frequency scratching, clacks and some rumble. Stereo.
TR EXT Drive By Passenger Train, Creaking.wav	Slow passenger train drive by with light clacking and some rattling elements. Stereo.
TR EXT Drive By Passenger Train, Light Hissing.wav	Slow passenger train drive by with rattling parts light clacking elements. Stereo.
TR EXT Drive By Passenger Train, Light Howling.wav	Slow passenger train drive by with light squeaking sound of the track in the beginning and some scratching and rattling parts. Stereo.
TR EXT Drive By Passenger Train, Low Rumbling.wav	Slow passenger train drive by with light squeaking sounds and some rattling parts. Stereo.
TR EXT Drive By Steam Train, Slow Clack Rattle.wav	Slow steam train drive by with clacks and rattling parts. Stereo.
TR EXT Departure Steam Train, Whistle Slow.wav	Train accelerating, whistling and driving slow. Steam and clack sounds. Stereo Encoded from Double M/S.
TR EXT Departure Steam Train, Air Release.wav	Slow steam train drive by with clacks and rattling and resonating parts. Stereo Encoded from Double M/S.
TR EXT Departure Steam Train, Chuffing.wav	Slow steam train drive by with clacks and light rattling. Long tail of steam engine sound. Stereo Encoded from Double M/S.
TR EXT Arrival Modern Train.wav	Electric train drive by. Air release, clacking sound and light squeaking elements. Train stops in the end. Stereo.
TR EXT Drive By Modern Train, Fast.wav	Fast tram drive by with clacking parts and squeak at the end. Stereo.
TR EXT Drive By Modern Train, Slow.wav	Slow tram drive by with some rattling parts and light squeak. Stereo.
TR Driving INT POV Passenger Train, Cabin.wav	Diesel loco driving ambience recorded in a cabin. Pneumatics, branches hitting cabin and long horn. Stereo Encoded from Double M/S.
TR EXT Arrival Freight Train, Diesel Loco, Horn.wav	Diesel loco start and stop. Short horn at start and scratching sound of tracks. Some clacking and engine noise at end. Stereo Encoded from Double M/S.

trains

TRAINS - STEREO VERSION - DATA SHEET

FILENAME	DESCRIPTION
TR Driving EXT POV Passenger Train, Fast, Airy 01.wav	Fast and airy driving ambience. Some clacking and rattling parts. Light scratching in the background. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Fast, Airy 02.wav	Fast and airy driving ambience. Some rattling parts and clacking elements. Light scratching sound in the background. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Clacking, Airy.wav	Airy exterior driving ambience of train clacking parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Clacking Fast 01.wav	Fast exterior driving ambience of train. Clacking parts with some squeaking elements. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Clacking Fast 02.wav	Fast exterior driving ambience of train with heavy clacking parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Clacking Medium.wav	Exterior driving ambience with clacking elements and light squeaking parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Clacking Metal Ringing.wav	Exterior fast driving ambience with clacking elements and metal ringing parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Clacking Track Change.wav	Exterior slow driving ambience of track changing train. Squeaking and clacking parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Clacking Wispy, Fast 01.wav	Fast and wispy exterior driving ambience with clacking parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Clacking Wispy, Fast 02.wav	Fast and wispy exterior driving ambience with clacking elements. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Coupler Grind Medium.wav	Exterior ambience of coupler. Clacking and grinding parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Coupler Grind Slow.wav	Slow exterior ambience of coupler. Clacking and grinding parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Coupler Grinding.wav	Exterior ambience of coupler. Grinding parts and clacking elements in the background. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Coupler Grinding Slow.wav	Slow exterior ambience of coupler. Some clacking and grinding parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Diesel Engine, Undocking.wav	Exterior recording of idle diesel loco engine with undocking sound. Metal clacks and pneumatics. Stereo.
TR Driving EXT POV Passenger Train, Diesel Engine, Shunting.wav	Driving ambience of diesel engine. Open platform shunting. Squeaking and light clacking parts and horn. Stereo.
TR Driving EXT POV Passenger Train, Freight Clacking Fast 01.wav	Fast exterior freight train ambience with clacking and squeaking parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Freight Clacking Fast 02.wav	Fast exterior freight train ambience with squeaking elements and light clacking sounds. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Heavy Metal Clacking.wav	Exterior ambience of heavy metal clacking at medium speed. Some grinding sound in the background. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Intense Clacking.wav	Fast exterior driving with intense clacking. Light grinding sound in the background. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Light Clacking.wav	Fast exterior driving with light clacking sound and a bit of grinding in the background. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Subtle Clacking.wav	Exterior driving at medium speed with light clacking elements and light grinding sound in the background. Tiny squeaking parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Low Clacking 01.wav	Exterior driving at medium speed with low clacking parts and some light grinding in the background. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Low Clacking 02.wav	Exterior driving at medium speed, ambience with low clacking parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Metal Cabin Clacking.wav	Exterior driving at medium speed, ambience of metal cabin. Some metal clacking. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Mic on Wheel, Brake, Rattling.wav	Exterior driving ambience of wheels. Train brakes with metal clackings, rattling parts and squeaking elements. Mono.
TR Driving EXT POV Passenger Train, Mic on Wheel, Brake, Bell.wav	Exterior driving ambience of wheels. Train brakes with metal clackings, light squeaking elements and rattling parts. Bell in the background. Mono.
TR Driving EXT POV Passenger Train, Mic on Wheel, Brake, Metal Clacking.wav	Exterior driving ambience of wheels. Train brakes with squeaking sounds. Metal clacks and short air release in the end. Mono.
TR Driving EXT POV Passenger Train, Mic on Wheel, Brake, Air Release.wav	Exterior driving ambience of wheels. Train brakes with squeaking sounds. Grinding parts, clacks and air release. Mono.

trains

TRAINS - STEREO VERSION - DATA SHEET

FILENAME	DESCRIPTION
TR Driving EXT POV Passenger Train, Mic on Wheel, Brake, Grinding.wav	Exterior driving ambience of wheels. Grinding and low clacking sounds. Light air release in the end. Mono.
TR Driving EXT POV Passenger Train, Mic on Wheel, Fast and Stop.wav	Exterior driving ambience of fast driving train. Wheels clacking and grinding sounds. Train stops in the end with light squeaking sound and air release. Mono.
TR Driving EXT POV Passenger Train, Mic on Wheel, Slow Clacking and Squeaks.wav	Exterior driving ambience of slow driving train. Grinding, clacking and squeaking sounds. Very light horn in the background. Mono.
TR Driving EXT POV Passenger Train, Mic on Wheel, Start and Stop 01.wav	Long exterior driving ambience of wheels. Train starts and stops. Clacking, grinding and light squeaking sounds. Air release in the end. Mono.
TR Driving EXT POV Passenger Train, Mic on Wheel, Start and Stop 02.wav	Long exterior driving ambience of wheels. Train starts and stops. Grinding, clacking and light squeaking sounds. Air release in the end. Mono.
TR Driving EXT POV Passenger Train, Mic on Wheel, Start and Stop Fast, Scratching.wav	Long exterior driving ambience of wheels. Train starts, drives fast and stops. Grinding and clacking sounds. Light squeaking sound and air release in the end. Mono.
TR Driving EXT POV Passenger Train, Mic on Wheel, Start and Stop Fast, Grinding.wav	Long exterior driving ambience of slow driving train. Grinding and clacking wheel sounds. Train starts and stops. Light squeaking parts and air release in the end. Mono.
TR Driving EXT POV Passenger Train, Mic on Wheel, Start and Stop Fast, Rattling.wav	Long exterior driving ambience of wheels. Train starts, drives fast and stops. Grinding, clacking and light squeaking sounds. Light air release in the end. Mono.
TR Driving EXT POV Passenger Train, Mic on Wheel, Start and Stop Slow, Clacking.wav	Long exterior driving ambience of wheels. Train starts, drives fast and stops. Clacking, grinding and light squeaking sounds. Mono.
TR Driving EXT POV Passenger Train, Mic on Wheel, Start and Stop Slow, Horn.wav	Long exterior driving ambience of slow driving train. Grinding and low clacking wheel sounds. Short pneumatic sound at beginning. Train starts and stops. Mono.
TR Driving EXT POV Passenger Train, Mic on Wheel, Start and Stop Grinding.wav	Long exterior driving ambience of slow driving train. Grinding and low clacking wheel sounds. Light squeaking elements and light horn in the background. Train starts and stops. Squeak in the end. Mono.
TR Driving EXT POV Passenger Train, Mic on Wheel, Start and Stop Airy.wav	Exterior driving ambience of slow driving train. Grinding and clacking wheel sounds. Train starts and stops. Light air release and clack in the end. Mono.
TR Driving EXT POV Freight Train, Open Diesel Engine.wav	Driving ambience of shunting diesel engine. Horn at beginning. Light rattling elements, pneumatics and docking sounds. Stereo.
TR Driving EXT POV Passenger Train, Second Train, Passing, Clacking.wav	Fast exterior passby with clacking parts and rattling elements. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Second Train, Passing, Rattling.wav	Fast exterior passyby with clacking and rattling parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Second Train, Passing, Squeaking.wav	Fast exterior passby with squeaks at the beginning followed by clacking. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Steady.wav	Fast, steady, airy and rhythmic exterior driving with some clacking and light squeak. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Chuffing Accelerate.wav	Steamtrain chuffing and slowly accelerating. Train drives slow with some clacking sounds. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Chuffing Fast, Rattling.wav	Fast exterior steamtrain chuffing with some rattling parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Chuffing Fast, Low Clacking.wav	Fast exterior steamtrain chuffing. Some whoosh bys of external objects. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Chuffing Fast.wav	Fast exterior steamtrain chuffing with low clacking parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Chuffing Fast, High Hissing.wav	Fast exterior steamtrain chuffing. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Chuffing Medium 01.wav	Exterior steamtrain chuffing with low clacking parts and light squeak. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Chuffing Medium 02.wav	Exterior steamtrain chuffing at medium speed. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Chuffing Slow.wav	Slow exterior steamtrain chuffing with some squeaking parts and light rattling elements. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Chuffing, Squeal.wav	Exterior steamtrain chuffing at medium speed with squeaking wheels. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Clacking Airy Fast.wav	Airy exterior steamtrain driving with clacking parts. Stereo Encoded from Double M/S.

trains

TRAINS - STEREO VERSION - DATA SHEET

FILENAME	DESCRIPTION
TR Driving EXT POV Steam Train, Clacking Fast.wav	Fast exterior steamtrain driving with clacking parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Clacking, Rattle.wav	Exterior steamtrain driving at medium speed with clacking and rattling parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Hard Metal Clacking.wav	Slow exterior steamtrain ambience with hard metal clacking. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Heavy Clacking.wav	Fast exterior steamtrain driving with heavy clacking parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Light Clacking.wav	Slow exterior steamtrain driving. Low pulsing and light clacking. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Metal Squeal 01.wav	Fast exterior steamtrain driving with metal squeal. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Metal Squeal 02.wav	Fast exterior steamtrain driving with metal squeal and low clacking parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Rattle Squeak.wav	Fast exterior steamtrain driving with squeaking parts and rattling elements. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Tunnel In Out.wav	Fast exterior steamtrain driving with chuffing sound. Driving in and out of a tunnel. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Whistle, Clacking.wav	Exterior steamtrain medium speed driving with whistle and clacking parts. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Tunnel In Out Fast 01.wav	Fast exterior driving with light squeaking elements. Train driving in and out of a tunnel. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Tunnel In Out Fast 02.wav	Fast exterior driving with low clacking parts at beginning. Train driving in and out of a tunnel. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Wheels, Intense Clacking.wav	Exterior driving at medium speed with intense wheels clacking. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Wheels Rattle.wav	Exterior driving at medium speed with wheels clacking and rattling parts. Light squeaking sound in the background. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Wheels Squeal.wav	Exterior fast driving with squealing wheels and some clacking. Stereo Encoded from Double M/S.
TR Driving INT POV Freight Car, Depart Medium.wav	Driving freight car with squeaking parts and light rattling elements. Stereo Encoded from Double M/S.
TR Driving INT POV Freight Car, Depart Slow.wav	Departing freight car drives slow. Some low clacking and light rattling parts. Short pneumatic sound. Stereo Encoded from Double M/S.
TR Driving INT POV Freight Car, Depart Steady.wav	Departing freight car drives steady. Light clacking sounds and some rattling parts. Horn and squeaking elements. Stereo Encoded from Double M/S.
TR Driving INT POV Freight Car, Depart, Stop Slow.wav	Departing freight car. Stopping with low rumble. Stereo Encoded from Double M/S.
TR Driving INT POV Freight Car, Hit Branches Long.wav	Branches hit freight car. Some low clacking in the background. Stereo Encoded from Double M/S.
TR Driving INT POV Freight Car, Hit Branches Short.wav	Branches hit freight car. Low clacking sound in the background. Stereo Encoded from Double M/S.
TR Driving INT POV Freight Car, Humps.wav	Freight car humping sounds. Stereo Encoded from Double M/S.
TR Driving INT POV Freight Car, Leave Rustle.wav	Freight car leave rustling. Some low clacks and squeaking sounds. Stereo Encoded from Double M/S.
TR Driving INT POV Freight Car, Slow.wav	Slow driving freight car with some low clacks. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train, Metal Cabin.wav	Fast interior driving ambience recorded in cabin. Hollow and some metal clacking sounds. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train, Cabin, Open Window.wav	Fast interior driving ambience recorded in cabin with open windows clacking. Stereo Encoded from Double M/S.
TR Driving INT POV Freight Train, Diesel Engine, Rev up.wav	Idle diesel engine revs up and starts driving slowly. Some engine rattling parts. Stereo.
TR Driving INT POV Freight Train, Cockpit, Diesel Engine.wav	Driving ambience of small diesel engine recorded in drivers cab. Rattling metal parts, air release and light clacks. Stereo.
TR Driving INT POV Freight Train, Cockpit, Diesel Engine Idle .wav	Driving ambience of small diesel engine recorded in drivers cab. Idle engine, clacks and light rattling parts. Stereo.

trains

TRAINS - STEREO VERSION - DATA SHEET

FILENAME	DESCRIPTION
TR Driving INT POV Freight Cabin, Clacking.wav	Fast interior driving of freight cabin with clacking sounds. Stereo Encoded from Double M/S.
TR Driving INT POV Freight Train, Idle, Short Drive, Stop.wav	Interior driving ambience of diesel engine. Idle engine at crossing with a short drive, rev up and stop. Light cross bells, rattling parts and pneumatics. Stereo.
TR Driving INT POV Passenger Train, Large Compartment.wav	Interior driving ambience recorded in large compartment. Low clacking and squeaking parts. Air release and rattling parts. Light horn sound at beginning. Stereo.
TR Driving INT POV Passenger Train, Metal Cabin, Change Track.wav	Interior driving of metal cabin changing lane. Clacking sounds. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train, Metal Cabin, Creaking.wav	Fast interior driving ambience of metal cabin with creaking sounds and low clacking. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train, Metal Cabin, Rattle.wav	Medium interior driving of metal cabin with some rattling parts. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train, Metal Cabin, Rumble.wav	Fast interior driving of metal cabin with rumbling noise. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Clacking Squeal.wav	Interior driving in modern cabin. Some clacking and squealing parts and a notification sound in the background. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, High Rattle Airy.wav	Airy interior driving ambience of a modern cabin with low clacking parts. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Low Rumble 01.wav	Interior driving ambience of modern cabin with light squeak at beginning and low rumbling sound. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Low Rumble 02.wav	Interior driving ambience of modern cabin with low rumble and howling mechanics. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Mid Rumble.wav	Interior driving ambience of modern cabin with mid rumbling sound. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Rumble, Squeaks.wav	Interior driving ambience of modern cabin with mid rumbling sound and light squeaking elements. Stereo.
TR Driving INT POV Modern Cabin, Rumble.wav	Interior driving ambience of modern cabin with rumbling elements and an airy character. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Slowing Buzz.wav	Interior driving ambience of modern cabin slowing down with buzzing sound. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Squeal.wav	Interior fast driving ambience of modern cabin with some squealing parts. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Start, Whine.wav	Interior driving ambience of modern cabin. Starting train with some whining sounds. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Start, Stop, Buzz.wav	Interior driving ambience of modern cabin. Starting train with slowing down and some whining and buzzing sounds. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Start, Stop Airy.wav	Airy interior driving ambience of a modern cabin. Train starting and stopping. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Start, Stop Airy, Light Rattling.wav	Airy interior driving ambience of a modern cabin. Train starts and stops. Light squeaking sound in the end. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Start, Stop Airy, Wind Up.wav	Long airy interior driving ambience of a modern cabin. Train starts and stops with light squeaking sound low clacks and a bit of rattling parts. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Tone.wav	Interior driving ambience of modern cabin. Room tone with a short clack in the end. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Tone, Light Howling.wav	Interior driving ambience of modern cabin. Room tone. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Tone, Clacking.wav	Interior driving ambience of modern cabin. Room tone with clacking parts and low rumble. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Tone, Low Rumbling.wav	Interior driving ambience of modern cabin. Room tone with rumbling character. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Tone, Low Clacking.wav	Interior driving ambience of modern cabin. Room tone with tiny rattling parts. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Tunnel In Out Fast.wav	Fast interior driving ambience of modern cabin. Train driving in and out of a tunnel. Some rustling elements. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Tunnel In Out Intense.wav	Intense interior driving ambience of modern cabin. Train driving in and out of a tunnel. Some rattling parts. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cabin, Wind.wav	Windy interior driving ambience of modern cabin. Light grinding elements in the background. Stereo Encoded from Double M/S.

trains

FILENAME	DESCRIPTION
TR Driving INT POV Passenger Train, Open Window, Stop.wav	Driving ambience of diesel engine with open window. Idle engine, driving and stopping. Some grinding and clacking parts. Short horn and pneumatics Stereo.
TR Driving INT POV Passenger Train, Small Compartment, Idle.wav	Interior driving ambience recorded in small compartment. Idle engine with some light squeaking elements. Stereo.
TR Driving INT POV Passenger Train, Small Compartment, Light Rattle.wav	Interior driving ambience recorded in small compartment. Horn sound in the middle and some rattling parts. Train stops in the end with clacking parts. Stereo.
TR Driving INT POV Passenger Train, Small Compartment, Start, Stop, Idle.wav	Starting train with resonating and rattling parts. Driving and stopping plus rumbling idle in the end. Stereo.
TR Driving INT POV Passenger Train, Small Compartment, Window Open, Close.wav	Interior driving ambience recorded in small compartment. Some rattling elements and low clacking parts. Window opened and closed. Train stopping in the end. Stereo.
TR Driving INT POV Steam Train Cabin, Fast.wav	Fast interior driving ambience of steamtrain. Clacking parts and light rattling elements. Stereo Encoded from Double M/S.
TR Driving INT POV Steam Train Cabin, Metal Rattle Fast.wav	Fast interior steamtrain driving recorded in cabin. Clacking parts, metal rattle and light chuffing sound in the background. Stereo Encoded from Double M/S.
TR Driving INT POV Steam Train Cabin, Whistles.wav	Interior medium speed steamtrain ambience recorded in cabin. Whistling sounds, rattling parts and squeaking elements. Stereo Encoded from Double M/S.
TR Driving INT POV Steam Train, Chuffing, Accelerate.wav	Interior recording of slow accelerating steamtrain. Slow chuffing sound in the background. Stereo Encoded from Double M/S.
TR Driving INT POV Steam Train, Chuffing Slow.wav	Interior recording of steamtrain chuffing slow. Stereo Encoded from Double M/S.
TR Driving INT POV Steam Train Locomotive, Steam Noise.wav	Interior steamtrain ambience of starting and stopping locomotive. Slow with steam and whistling sounds. Stereo Encoded from Double M/S.
TR Driving INT POV Steam Train Locomotive, Start, Stop, Chuffing.wav	Slow interior steamtrain driving ambience. Locomotive stopping with steam sound and light chuffing in the background. Stereo Encoded from Double M/S.
TR Driving INT POV Steam Train Locomotive, Stop, Light Rattling.wav	Slow interior steamtrain driving ambience. Locomotive stopping with steam sound and light rattling parts. Stereo Encoded from Double M/S.
TR Driving INT POV Steam Train Locomotive, Stop, Steam Noise.wav	Slow interior steamtrain driving ambience. Locomotive stopping with steam sound. Stereo Encoded from Double M/S.
TR Driving INT POV Steam Train Metal Cabin, Light Rattling.wav	Interior driving ambience of steamtrain metal cabin. Light, small clicking and rattling parts. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train, Restroom. Screeching.wav	Interior driving ambience recorded in restroom. Hollow sounding, screeching and rattling parts. Light horn at the end. Stereo.
TR Driving INT POV Passenger Train, Restroom, Rattling.wav	Interior driving ambience recorded in restroom. Hollow sounding with some rattling parts. Stereo.
TR Driving INT POV Passenger Train Wood Cabin, Light Clacking.wav	Interior medium speed driving ambience of wooden cabin. Light squeaking elements at beginning followed by clacking parts. Stereo Encoded from Double M/S.
TR Driving INT POV Modern Cockpit.wav	Electric train driving ambience recorded in locomotive cockpit. Clacking and light squeaking parts. Train stops in the end with air release. Stereo.
TR Driving INT POV Modern Cockpit, Drive, Stop 01.wav	Modern locomotive driving ambience recorded in cockpit. Clicking parts light squeaking elements. Air release, crackling sounds and stopping in the end. Stereo.
TR Driving INT POV Modern Cockpit, Drive, Stop 02.wav	Modern locomotive driving ambience recorded in cockpit. Clicking parts light squeaking elements. Short beep in the middle. Air release, crackling sounds and stopping in the end. Stereo.
TR Driving INT POV Modern Cockpit, Drive, Emergency Brake.wav	Modern locomotive driving ambience recorded in cockpit. Trigger sound of dead-man's vigilance device. Light air release, squeaks, clacks and beeps. Stereo.
TR Driving INT POV Modern Cockpit, Start, Stop, Squeaking.wav	Modern locomotive driving ambience recorded outside of the cockpit. Train starts, drives and stops. Squeaking sounds, air release and light clacks. Stereo.
TR Driving INT POV Modern Cockpit, Start, Cross Bridge Stop.wav	Modern locomotive driving ambience recorded in cockpit. Train starts, crosses bridge and stops. Light squeaking parts and air release. Stereo.
TR Driving INT POV Modern Cockpit, Start, Tunnels, Stop.wav	Modern locomotive driving ambience recorded in cockpit. Train starts, drives through tunnels and stops in the end. Crackling, squeaking and air release. Stereo.
TR Driving INT POV Modern Cockpit, Start, Stop, Rattling.wav	Modern locomotive driving ambience recorded in cockpit. Train is starting, driving and stopping in the end. Squeaking and light rattling parts. Some short beeps, clicks and air release. Stereo.
TR Driving INT POV Modern Cockpit, Start, Stop, Creaking.wav	Modern locomotive driving ambience recorded in cockpit. Train starts, drives and stops in the end. Squeaking and light clacking sound. Air release in the end. Stereo.

trains

FILENAME	DESCRIPTION
TR Driving INT POV Modern Cockpit, Start, Tunnel, Stop.wav	Modern locomotive driving ambience recorded in cockpit. Train starts, drives through tunnel and stops. Squeaking and light rattling parts. Some rumbling sounds. Low compressor sound and air release in the end. Stereo.
TR Driving INT POV Modern Engine Room, Accelerate.wav	Modern locomotive driving ambience recorded in engine room. Train accelerates. Airy sound with some squeaking elements, rattling parts and light air releases. Stereo.
TR Driving INT POV Modern Engine Room, Drive, Stop.wav	Modern locomotive driving ambience recorded in engine room. Train drives and stops. Light clacking and squeaking parts. Short air releases. Stereo.
TR Driving INT POV Modern Engine Room, Slow Down, Accelerate.wav	Modern locomotive driving ambience recorded in engine room. Train slows down and accelerates. Clacking elements and light rattling parts. Light squeaking sounds and pneumatics. Stereo.
TR Driving INT POV Modern Engine Room, Start, Compressor.wav	Modern locomotive driving ambience recorded in engine room. Train starts, drives and starts compressor. Squeaking parts and clacking elements. Long and short air release. Beeps and mid rumbling sound. Stereo.
TR Driving INT POV Modern Engine Room, Stop, Compressor.wav	Modern locomotive driving ambience recorded in engine room. After train is stopping a compressor starts. Light resonating and squeaking parts. Air release and mid rumble. Stereo.
TR Driving EXT POV Modern Locomotive, Start Engine.wav	Modern locomotive driving ambience recorded from the outside. Low beeps in the background. Pneumatic sounds and mid rumbling parts. Airy character. Stereo.
TR Driving INT POV Modern Railcar Cockpit, Short Bridge, Stop.wav	Modern railcar driving ambience recorded in cockpit. Train drives, crosses a short bridge and stops in the end. Air release, light clacks and squeaking parts. Stereo.
TR Driving INT POV Modern Railcar Cockpit, Bridges, Stop.wav	Modern railcar driving ambience recorded in cockpit. Train passes oncoming train, drives under and on bridges and stops in the end. Clacking parts and rumble. Squeaks and air release. Stereo.
TR Driving INT POV Modern Railcar Cockpit, Horn, Stop.wav	Modern railcar driving ambience recorded in cockpit. Rattling parts and clacking elements. Air release and horn sounds before intersection. Light bell sound drive by. Stereo.
TR Driving INT POV Modern Railcar Cockpit, Stop, Fast.wav	Modern railcar driving ambience recorded in cockpit. Train drives and stops. Light rattling and clacking parts. Light squeak and air release. Stereo.
TR Driving INT POV Modern Railcar Cockpit, Stop, Slow.wav	Modern railcar driving ambience recorded in cockpit. Train drives and stops. Low clacking and light rattling parts. Air release and light squeaking sound. Stereo.
TR Driving INT POV Modern Railcar Cockpit, Emergency Brake.wav	Modern railcar driving ambience recorded in cockpit. Trigger sound of dead-man's vigilance device and pneumatic sound at beginning. Train drives and stops. Some clacking and air release. Stereo.
TR Driving INT POV Modern Railcar Cockpit, Start, Stop.wav	Modern railcar driving ambience recorded in cockpit. Train drives, passes oncoming train and stops. Clacking and squeaking parts. Air release and light rattling elements. Stereo.
TR Driving EXT POV Modern Railcar Cockpit 01.wav	Modern railcar driving ambience of cockpit recorded from outside. Low clacking and light scratching parts with some air release. Stereo.
TR Driving EXT POV Modern Railcar Cockpit 02.wav	Modern railcar driving ambience of cockpit recorded from outside. Low clacking and light squeaking parts with some air release. Stereo.
TR Driving EXT POV Modern Railcar Cockpit, Stop.wav	Modern railcar driving ambience of cockpit recorded from outside. Clacking and squeaking parts. Some pneumatic sounds and air release. Train starts, drives and stops. Stereo.
TR Driving EXT POV Modern Railcar Cockpit, Start, Drive.wav	Modern railcar driving ambience of cockpit recorded from outside. Heavy clacking and grinding parts. Short air releases. Train starts and drives. Stereo.
TR Driving EXT POV Modern Railcar Cockpit, Three Tunnels.wav	Modern railcar driving ambience of cockpit recorded from outside. Air release, clacking and light squeaking parts. Grinding elements. Train starts, drives, passes through tree tunnels and slows down. Stereo.
TR Driving EXT POV Modern Railcar Cockpit, Two Tunnels.wav	Modern railcar driving ambience of cockpit recorded from outside. Air release, clacking, rattling and light squeaking parts. Train starts, drives, passes through two tunnels and stops. Stereo.
TR Driving EXT POV Modern Railcar Cockpit, Start, Stop.wav	Modern railcar driving ambience of cockpit recorded from outside. Clacking and squeaking parts with some air release. Light grinding elements. Train starts, drives and stops. Stereo.
TR Driving EXT POV Modern Railcar Cockpit, Stop.wav	Modern railcar driving ambience of cockpit recorded from outside. Air releases. Light grinding and clacking parts. Train stops in the end. Stereo.
TR Driving INT POV Modern Wagon, Brake, Stop.wav	Interior driving ambience of modern wagon train. Train brakes, drives and stops. Some low end rumble and light squeaking parts. Stereo.
TR Driving INT POV Modern Wagon, Slow Stop.wav	Slow driving ambience of modern wagon train with stopping in the end and some rumbling elements. Stereo.

trains

TRAINS - STEREO VERSION - DATA SHEET

FILENAME	DESCRIPTION
TR Driving INT POV Modern Wagon, Air Condition.wav	Interior driving ambience of modern wagon train. Train starts and drives with air condition sound. Stereo.
TR Driving INT POV Modern Wagon, Pass Oncoming Train.wav	Interior driving ambience of modern wagon train. Train starts, drives, passes oncoming train and stops. Light squeaking sounds. Stereo.
TR Driving INT POV Modern Wagon, Start, Stop 01.wav	Interior driving ambience of modern wagon train. Train starts, drives and stops. Some low clacking parts. Stereo.
TR Driving INT POV Modern Wagon, Start, Stop 02.wav	Interior driving ambience of modern wagon train. Train starts, drives and stops. Low clacking parts. Stereo.
TR Driving INT POV Modern Wagon, Start, Stop, Rocky.wav	Interior driving ambience of modern wagon train. Train starts, drives and stops. Low clacking parts with some squeaking elements in a rocky environment. Stereo.
TR Driving EXT POV Freight Train, Open Door, Fast.wav	Long driving ambience of diesel loco recorded from an opened door. Grinding sounds of tracks and some light rattling parts and clacking elements. Short horn, pneumatic and squeaking sound. Train stopping. Stereo Encoded from Double M/S.
TR Driving EXT POV Steam Train, Stop, Squeak, Whistle.wav	Slow exterior driving ambience of steamtrain locomotive. Whistle and some clacking and squeaking sounds. Train stops in the end. Stereo.
TR Driving EXT POV Steam Train, Stop, Whistle, Rattle.wav	Exterior driving ambience of steamtrain locomotive with whistling sounds and rattling parts. Some squeaking elements. Stereo.
TR Driving INT POV Steam Train Locomotive, Depart, Coal.wav	Fast interior driving ambience of departing steamtrain locomotive. Rumble, coal refill and whistling sound. Stereo.
TR Driving INT POV Steam Train Locomotive, Start, Stop, Slow Air Release.wav	Slow interior driving ambience of departing steamtrain locomotive. Air release, whistle and light metal clacking. Train stops. Stereo.
TR Driving INT POV Steam Train Locomotive, Start, Stop, Slow Metal Clacks.wav	Slow interior driving ambience of departing steamtrain locomotive. Whistle at the beginning followed by wheel metal clacks. Train stopping. Stereo.
TR Driving INT POV Steam Train Locomotive, Start, Stop, Slow Whistle.wav	Slow interior driving ambience of departing steamtrain locomotive. Whistle at start with some low clackings and stopping in the end. Stereo.
TR Driving INT POV Steam Train Locomotive, Start, Stop, Whistle.wav	Interior driving ambience of departing steamtrain locomotive. Short whistle sound at start and low wheel clacking. Train stops in the end. Stereo.
TR Driving INT POV Steam Train Locomotive, Rumble, Clacks.wav	Fast interior driving ambience of steamtrain locomotive. Rumble with some metal clacks. Stereo.
TR Driving INT POV Steam Train Locomotive, Rumble, Double Whistle.wav	Fast interior driving ambience of steamtrain locomotive. Double whistle, rumbles and some rattling parts. Light air release in the end. Stereo.
TR Driving INT POV Steam Train Locomotive, Rumble, Rattle.wav	Long and fast interior driving ambience of steamtrain locomotive. Rumbling and rattling parts. Stereo.
TR Driving INT POV Steam Train Locomotive, Squeak, Rumble.wav	Interior ambience of fast driving steamtrain locomotive with squeaking, rumbling and rattling parts. Stereo.
TR Driving INT POV Steam Train Locomotive, Rumble, Clack, Whistle.wav	Interior medium speed driving ambience of steamtrain locomotive with rumble, clacks and a whistle. Stereo.
TR Driving EXT POV Steam Train, Wagon, Clacking.wav	Fast and steady exterior driving ambience of steamtrain wagon. Light grinding sound and heavy clacking parts. Stereo.
TR Driving EXT POV Steam Train, Wagon, Clacking, Rattling.wav	Fast and steady exterior driving of steamtrain wagon. Some rail rattling parts. Stereo.
TR Driving EXT POV Steam Train, Wagon, Tunnel In Out 01.wav	Fast exterior driving of steamtrain with rattling parts. Train drives in and out of tunnel. Stereo.
TR Driving EXT POV Steam Train, Wagon, Tunnel In Out 02.wav	Fast exterior driving of steamtrain with rattling parts. Train driving in and out of tunnel. Stereo.
TR Driving EXT POV Steam Train, Wagon, Tunnel In Out, Squeak.wav	Fast exterior driving of steamtrain wagon. Train driving in and out of tunnel. Squeaking and clacking parts. Stereo.
TR Driving EXT POV Steam Train, Wagon, Metal Rattle.wav	Medium speed, steady exterior driving ambience of steamtrain wagon with clacking and light rattling parts. Stereo.
TR Driving EXT POV Steam Train, Wagon, Metal Rattle, Wheels Squeak.wav	Medium speed, steady exterior driving ambience of steamtrain wagon with clacking, rattling metal parts and wheel squeak. Stereo.
TR Driving EXT POV Steam Train, Wagon, Rattle.wav	Medium speed exterior perspective of steamtrain wagon. Steady driving with clacking and rattling parts. Stereo.
TR Driving EXT POV Steam Train, Wagon, Slow Stop, Air Release.wav	Exterior stopping of steamtrain wagon. Clacking and creaking sounds. Light air release. Stereo.
TR Driving EXT POV Steam Train, Wagon, Slow Stop, Whistle.wav	Exterior slow driving of steamtrain wagon. Light grinding elements. Metal clacking, air release and whistling sound. Train stops in the end. Stereo.

trains

TRAINS - STEREO VERSION - DATA SHEET

FILENAME	DESCRIPTION
TR Driving EXT POV Steam Train, Wagon, Slow Stop, Heavy Creak.wav	Exterior slow driving steamtrain wagon. Some metal creaks and clacks. Brake sounds and stopping in the end. Stereo.
TR Driving EXT POV Steam Train, Wagon, Whistle, Slow Stop.wav	Exterior slow driving steamtrain wagon. Double whistle and some metal clacks. Train stopping in the end. Stereo.
TR Driving EXT POV Steam Train, Wagon, Tunnel, Slow Stop.wav	Exterior slow stop. Steamtrain wagon ambience with whistling sound, clacking and a short tuneel. Stereo.
TR Driving INT POV Steam Train Wagon, Start, Metal Squeak.wav	Interior ambience of steamtrain wagon. Train departing and driving fast. Some metal squeaking sounds and low clacks. Stereo.
TR Driving INT POV Steam Train Wagon, Start, Stop, Soft Wheels.wav	Interior ambience of steamtrain wagon. Train departing, driving slow and stops in the end. Soft wheel sounds and whistle. Stereo.
TR Driving INT POV Steam Train Wagon, Soft Rattle.wav	Interior ambience of slow driving steamtrain wagon. Soft rattling and clacking sounds. Stereo.
TR Driving INT POV Steam Train Wagon, Steady Rumble.wav	Interior ambience of slow driving steamtrain wagon. Steady rumbling with rattling and creaking sounds. Stereo.
TR Driving INT POV Steam Train Wagon, Wood Creak.wav	Interior ambience of slow driving steamtrain wagon. Low clacks and steady wood creaking sounds. Whistle in the end. Stereo.
TR Driving INT POV Steam Train Wagon, Whistle, Soft Wheels.wav	Interior ambience of slow driving steamtrain wagon. Double whistle and soft wheel sounds. Train stops in the end. Stereo.
TR Driving INT POV Steam Train Wagon, Clicks, Rattle.wav	Interior ambience of slow driving steamtrain wagon. Low wheel clackings, some rattle and clicks. Train stops at end. Stereo.
TR Driving INT POV Passenger Train Wagon, Bell.wav	Slow driving ambience of wagon. Grinding parts and low clacking. Bell at beginning and end. Rattling elements. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train Wagon, Clacking.wav	Slow driving ambience of wagon. Grinding and clacking parts. Squeaking elements. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train Wagon, Start, Stop, Long Braking.wav	Driving ambience of wagon. Train departing and stopping. Low clacking parts and long peeping sound in the end. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train Wagon, Start, Stop, Light Clacking.wav	Driving ambience of wagon. Train departing and stopping. Low clacking parts with some rumble. And some rattling elements. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train Wagon, Start, Stop, Light Horn.wav	Driving ambience of wagon. Train departing and stopping. Low clacking parts with some rumble. Some light rattling elements in the background. Short pneumatic sound and horn. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train Wagon, Light Rattle.wav	Fast driving ambience of wagon. Low clacking parts and light rattling elements. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train Wagon, Squeaking.wav	Fast driving ambience of wagon. Low clacking and resonating parts. Some squeaking elements. A light horn in the background. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train Wagon, Soft Clacking.wav	Fast driving ambience of wagon. Low clacking parts. Some squeaking elements. Train stops in the end. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train Wagon, Grinding.wav	Fast driving ambience of wagon. Grinding parts and low clacking. Some squeaking elements. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train Wagon, Short Horn.wav	Fast driving ambience of wagon. Grinding parts and low clacking. Some rattling elements and short horn in the background. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train Wagon, Rattle.wav	Fast driving ambience of wagon. Grinding parts and low clacking. Rattling elements and squeaking parts. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train Wagon, Low Clacking.wav	Fast driving ambience of wagon. Grinding parts and low clacking. Rattling parts and train stopping in the end. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train Wagon, Open Front Door.wav	Driving ambience recorded in front of a diesel loco. Train departing and stopping. Idle engine sound. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train Wagon, Front, Stop.wav	Driving ambience recorded in front of a diesel loco. Train driving and stopping. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train Wagon, Light Rattling.wav	Slow driving ambience of wagon. Grinding parts and low clacking. Light rattling elements. Train stops with impact in the end. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train Wagon, Distant Horn.wav	Slow driving ambience of wagon. Grinding parts and low clacking. Short horn in background. Stereo Encoded from Double M/S.
TR Driving INT POV Passenger Train Wagon, Rumble.wav	Slow driving ambience of wagon. Grinding parts and low clacking. Rattling parts and rumble. Train stops with impact in the end. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Wheels Air Release.wav	Slow driving wheel ambience followed by air release. Stereo Encoded from Double M/S.

trains

FILENAME	DESCRIPTION
TR Driving EXT POV Passenger Train, Wheels Slowdown.wav	Slow driving wheel ambience. Train slows down followed by air release. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Wheels Steady Plant Rustle.wav	Steady wheel driving ambience. Some low clacking and plant rustle in the background. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Wheels Depart.wav	Departing wheel sound. Grinding noise. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Wheels Depart Stop.wav	Departing and stopping wheel sound. Grinding noise. Rustling metal impacts at end. Stereo Encoded from Double M/S.
TR Driving EXT POV Passenger Train, Wheels Hit Branches.wav	Grinding wheel sound. Wheel hit branches. Coupling sound in the end. Stereo Encoded from Double M/S.
TR Exterior Air Release.wav	Exterior recording of air release. Some clacking. Stereo Encoded from Double M/S.
TR Exterior Antique Cabin Door Open Close.wav	Recording of antique cabin door being opened and closed. Light squeaks. Stereo.
TR Exterior Antique Kitchen Cabin Door Lock.wav	Antique kitchen cabin door lock. Short snapping sound with squeaking parts. Stereo.
TR Exterior Antique Kitchen Cabin Door Open Close.wav	Antique kitchen cabin door being opened and closed. Clacking sounds. Stereo.
TR Exterior Antique Main Cabin Door Open Close.wav	Antique main cabin door being opened and closed. Rattling parts with impact. Stereo.
TR Exterior Antique Passenger Side Door Open Close Hard.wav	Antique passenger side door being opened and closed. Hard clacking with some rattling parts and light squeak. Stereo.
TR Exterior Antique Passenger Side Door Open Close Normal.wav	Antique passenger side door being opened and closed. Rattling elements and clacking. Stereo.
TR Exterior Antique Staff Cabin Interleading Door Open Close.wav	Antique staff cabin interleading door being opened and closed. Some squeaking elements and impact. Stereo.
TR Exterior Antique Window Open Close Hard.wav	Antique window being opened and closed. Hard impact with grinding elements and squeaking parts. Stereo.
TR Exterior Antique Window Open Close Normal.wav	Antique window being opened and closed. Clacking impact with grinding elements and squeaking parts. Stereo.
TR Exterior Chain Rattle.wav	Chain rattling sound with some clacking elements. Stereo Encoded from Double M/S.
TR Exterior Closed Loco Door Rattle.wav	Closed door of locomotive rattling sound. High metal clacking. Stereo Encoded from Double M/S.
TR Exterior Coupling Cabins.wav	Exterior recording of coupling cabins. Some squeaking and clacking parts. Stereo Encoded from Double M/S.
TR Exterior Crane Crank Rattle.wav	Rattling of crane crank. Metal clacks and resonating parts. Stereo Encoded from Double M/S.
TR Exterior Diesel Hit Wagon.wav	Diesel locomotive hitting wagon. Engine noise with metal clacking coupling sound and air releases. Stereo Encoded from Double M/S.
TR Exterior Docking.wav	Docking. Metal clacking sounds and squeaking parts. Light engine noise in the background. Stereo Encoded from Double M/S.
TR Exterior Door Metal Locker.wav	Metal door locker. Clacking and light squeaking parts. Stereo Encoded from Double M/S.
TR Exterior Door Metal Locking Bar.wav	Metal locking bar. Metal impact and low squeaking elements. Stereo Encoded from Double M/S.
TR Exterior Drag Shoe Impact.wav	Exterior recording of drag shoe impact. Metal clacking sound. Stereo Encoded from Double M/S.
TR Exterior Drag Shoe Rattle.wav	Exterior recording of drag shoe rattling. Rattling and clacking elements. Stereo Encoded from Double M/S.
TR Exterior Gate Lever Close.wav	Gate lever closing. Low squeaking sound and some rattlings and clacks. Stereo Encoded from Double M/S.
TR Exterior Gate Lever Open.wav	Gate lever opening. Low squeaking sound and rattling parts. Stereo Encoded from Double M/S.
TR Exterior Handle Rattle.wav	Metal bin handle. Rattling sound and metal clacking parts. Stereo Encoded from Double M/S.
TR Exterior Horn Classic.wav	Various exterior steamtrain horn recordings. Stereo.

trains

FILENAME	DESCRIPTION
TR Exterior Locking.wav	Exterior recording of locking sound. Metal clacks, squeaks and engine noise. Stereo Encoded from Double M/S.
TR Exterior Metal Bin Rattle 01.wav	Metal bin rattle. Rattling sound of filled metal bin. Stereo Encoded from Double M/S.
TR Exterior Metal Bin Rattle 02.wav	Metal bin rattle. Rattling sound of empty metal bin. Stereo Encoded from Double M/S.
TR Exterior Metal Fence Rattling.wav	Long exterior recording of metal fence rattling. Metal clacks. Stereo.
TR Exterior Metal Gate Movement.wav	Exterior recording of metal gate movement. Clacking and grinding parts. Stereo Encoded from Double M/S.
TR Exterior Metal Gate Rattle Long.wav	Long metal gate rattle with clacks. Stereo Encoded from Double M/S.
TR Exterior Metal Gate Rattle.wav	Metal gate rattle with clacks. Stereo Encoded from Double M/S.
TR Exterior Metal Gate Rattle Short.wav	Short metal gate rattle with clacks. Stereo Encoded from Double M/S.
TR Exterior Metal Hinge Squeak Multi.wav	Multi exterior recording of metal hinge. Squeaking and some clacking parts. Stereo Encoded from Double M/S.
TR Exterior Metal Hinge Squeak Single.wav	Single exterior recording of metal hinge. Squeaking and some clacking parts. Stereo Encoded from Double M/S.
TR Exterior Metal Impact.wav	Metal impacts of big chain link. Stereo Encoded from Double M/S.
TR Exterior Metal Lever Impact.wav	Metal impacts of lever with some clacks. Stereo Encoded from Double M/S.
TR Exterior Metal Lock Bar Squeak and Hit.wav	Exterior recording of metal lock bar. Squeaking and hitting parts. Stereo Encoded from Double M/S.
TR Exterior Metal Platform Rattling.wav	Long exterior recording of metal platform rattle. Stereo.
TR Exterior Metal Rattle.wav	Metal rattle of small coupling parts. Stereo Encoded from Double M/S.
TR Exterior Pneumatic Brake Hiss and Bursts.wav	Exterior recording of brake hiss and bursts. Stereo.
TR Exterior Pneumatics.wav	Exterior recording of train pneumatics. Stereo Encoded from Double M/S.
TR Exterior Railcrossing Gate Bell.wav	Exterior recording of railcrossing bell. Light clacking elements in background. Stereo Encoded from Double M/S.
TR Exterior Steam Engine Door Impact.wav	Metal impact of steam train engine. Clacking and resonating parts. Stereo Encoded from Double M/S.
TR Exterior Steam Train Air Release Metal Impacts.wav	Exterior recording of steam train air release with metal impacts. Stereo.
TR Exterior Steam Train Whistle Blow High.wav	Exterior recording of steam train whistle blowing. High whistle sound. Stereo.
TR Exterior Vice Bar Impact.wav	Small metal impact of vice bar. Stereo Encoded from Double M/S.
TR Exterior Whistle Steam Train.wav	Exterior recording of steamtrain whistle. Stereo.
TR Exterior Metal Coupling Impact, Reverberant.wav	Exterior recording of metal coupling. Metal impact with some clacking elements and light squeaking parts. Stereo Encoded from Double M/S.
TR Exterior Metal Coupling Impact, High Clanks.wav	Exterior recording of metal coupling. Metal impact with light squeaking parts and clacking elements. Stereo Encoded from Double M/S.
TR Exterior Metal Coupling Impact, Dull.wav	Exterior metal coupling recording. Metal impact with light squeaking parts and clacking elements. Stereo Encoded from Double M/S.
TR Interior Antique Inter Cabin Door Open Close Hard.wav	Antique inter cabin door being opened and closed. Snapping sounds with hard clacking impact. Stereo.
TR Interior Antique Inter Cabin Door Open Close Normal.wav	Antique inter cabin door being opened and closed. Snapping sounds with hard clacking impact. Stereo.
TR Interior Antique Kitchen Cabin Door Open Close.wav	Antique kitchen cabin door being opened and closed. Snapping and hard clicking sounds. Stereo.

trains

TRAINS - STEREO VERSION - DATA SHEET

FILENAME	DESCRIPTION
TR Interior Antique Passenger Door Lock Hard.wav	Interior recording of antique passenger door lock. High rattling and clacking sounds. Stereo.
TR Interior Antique Passenger Door Lock Normal.wav	Antique passenger door lock. Rattling and clacking sounds. Stereo.
TR Interior Antique Passenger Door Open Close Hard.wav	Antique passenger door being opened and closed. Hard clacking and light squeaking sound. Stereo.
TR Interior Antique Passenger Door Open Close Normal.wav	Antique passenger door being opened and closed. Clacking and snapping sounds. Stereo.
TR Interior Antique Passenger Sliding Window Open Close Hard.wav	Antique passenger sliding window being opened and closed. Rattling and hard clacking parts. Stereo.
TR Interior Antique Passenger Sliding Window Open Close Normal.wav	Antique passenger sliding window being opened and closed. Rattling, clacking and squeaking parts. Stereo.
TR Interior Antique Passenger Restroom Door Open Close Hard.wav	Antique passenger restroom door being opened and closed. Creaking, rattling and hard clacking sounds. Stereo.
TR Interior Antique Passenger Restroom Door Open Close Normal.wav	Antique passenger restroom door being opened and closed. Creaking, short squeaking and clacking parts. Stereo.
TR Interior Antique Passenger Windows Open Close Hard.wav	Antique passenger window being opened and closed. Squeaking parts and hard clacking sounds. Stereo.
TR Interior Antique Passenger Windows Open Close Normal.wav	Antique passenger window being opened and closed. Squeaking parts and clacking sounds. Stereo.
TR Interior Antique Sleeping Cabin Bed Fold Down Hard.wav	Antique sleeping cabin bed being folded down. Sliding sound and hard clacking. Stereo.
TR Interior Antique Sleeping Cabin Bed Fold Down Normal.wav	Antique sleeping cabin bed being folded down. Sliding sound, snapping and clacking parts. Stereo.
TR Interior Antique Sleeping Cabin Door Open Close Hard.wav	Antique sleeping cabin door being opened and closed hard. Clacking and snapping parts. Stereo.
TR Interior Antique Sleeping Cabin Door Open Close Normal.wav	Antique sleeping cabin door being opened and closed. Snapping and clacking sounds. Stereo.
TR Interior Antique Sleeping Cabin Latch Hard.wav	Antique sleeping cabin latch. Snapping and hard clacking sounds with light squeaking elements. Stereo.
TR Interior Antique Sleeping Cabin Latch Normal.wav	Antique sleeping cabin latch. Snapping and clacking sound with light squeaking elements. Stereo.
TR Interior Antique Sleeping Cabin Light Switch.wav	Antique sleeping cabin light switch. High snapping and clacking sound. Stereo.
TR Interior Antique Sleeping Cabin Wash Basin Open Close Hard.wav	Antique sleeping cabin wash basin being opened and closed. Hard clacking and rattling parts. Stereo.
TR Interior Antique Sleeping Cabin Wash Basin Open Close Normal.wav	Antique sleeping cabin wash basin being opened and closed. Clacking and rattling parts. Stereo.
TR Interior Antique Sleeping Cabin Wash Basin Plug Open Close.wav	Antique sleeping cabin wash basin plug being opened and closed. Light clacking and sliding sounds. Stereo.
TR Interior Antique Window Shade Open Close Hard.wav	Antique window shade being opened and hard closed. Squeaking and clacking parts. Stereo.
TR Interior Antique Window Shade Open Close Normal.wav	Interior recording of antique window shade being opened and closed. Squeaking and clacking parts. Stereo.
TR Interior Ashtray Rattle.wav	Interior ashtray rattle. Rattling sound of ashtray with some clacking elements. Stereo Encoded from Double M/S.
TR Interior Door Metal Open Close.wav	Metal door being opened and closed. Some snapping sounds and metal clacks. Stereo Encoded from Double M/S.
TR Interior Door Metal Rollup Open Close.wav	Metal door rollup being opened and closed. Squeaking and rattling parts. Stereo Encoded from Double M/S.
TR Interior Door Various.wav	Doors. Clacking and snapping sound. Stereo Encoded from Double M/S.
TR Interior Door Wood Close.wav	Wooden door being closed. Rattling and snapping parts. Stereo Encoded from Double M/S.
TR Interior Door Wood Handle Rattle.wav	Wooden door handle rattling. Stereo Encoded from Double M/S.
TR Interior Door Wood Open Close.wav	Wooden door being opened and closed. Snapping, clacking and rattling parts. Stereo Encoded from Double M/S.

trains

FILENAME	DESCRIPTION
TR Interior Door Wood Rattle 01.wav	Wooden door rattle with clacks. Stereo Encoded from Double M/S.
TR Interior Door Wood Rattle 02.wav	Wooden door rattle with clacks. Stereo Encoded from Double M/S.
TR Interior Door Wood Slide 01 Open Close.wav	Wooden door sliding to open and close. Sliding, clacking and light rattling parts. Stereo Encoded from Double M/S.
TR Interior Door Wood Slide 02 Open Close.wav	Wooden door sliding to open and close. Sliding, clacking, creaking and light rattling parts. Stereo Encoded from Double M/S.
TR Interior Folding Door Close.wav	Interior recording of folding door being closed. Rattling parts and clacking elements. Stereo Encoded from Double M/S.
TR Interior Folding Door Open.wav	Interior recording of folding door being opened. Rattling parts and clacking elements. Stereo Encoded from Double M/S.
TR Interior Hatch Open Close.wav	Hatch being opened and closed. Metal clacks and light rattling parts. Stereo Encoded from Double M/S.
TR Interior Loc Lever Close.wav	Loc lever closing. Squeaking sound with short metal impact in the end. Stereo Encoded from Double M/S.
TR Interior Loc Lever Movement.wav	Loc lever movement. Rattling loc lever with squeaking parts and clacking elements. Stereo Encoded from Double M/S.
TR Interior Loc Lever Movement Long.wav	Loc lever movement. Long rattling loc lever movement with squeaking and clacking parts. Stereo Encoded from Double M/S.
TR Interior Loc Lever Movement Short.wav	Loc lever movement. Short loc lever movement with squeaking and clacking parts. Stereo Encoded from Double M/S.
TR Interior Loc Lever Rattle.wav	Loc lever. Rattling loc lever with squeaking parts and clacking elements. Stereo Encoded from Double M/S.
TR Interior Loc Steering Wheel Movement Long.wav	Long loc steering wheel movement. Clacking and light squeaking elements. Stereo Encoded from Double M/S.
TR Interior Loc Steering Wheel Movement Short.wav	Interior recording of short loc steering wheel movement. Clacking and light squeaking elements. Stereo Encoded from Double M/S.
TR Interior Metal Box Rattle.wav	Metal box rattle. High metal clacking and rattling parts. Stereo Encoded from Double M/S.
TR Interior Metal Fuse Box Door Rattle.wav	Metal fuse box. Small metal clacking and rattling elements. Stereo Encoded from Double M/S.
TR Interior Metal Poles Clank Hard.wav	Metal poles clanking hard. Metal clacking sound. Stereo Encoded from Double M/S.
TR Interior Metal Poles Clank Soft.wav	Metal poles clanking soft. Metal clacking sounds. Stereo Encoded from Double M/S.
TR Interior Metal Poles Rattle.wav	Metal poles rattle. Rattling and clacking metal sounds. Stereo Encoded from Double M/S.
TR Interior Metal Sheet Impact.wav	Metal sheet impact. Metal clacking and rattling elements. Stereo Encoded from Double M/S.
TR Interior Metal Sheet Rattle.wav	Metal sheet rattle. Clacking and rattling metal parts. Stereo Encoded from Double M/S.
TR Interior Steam Train Steam Release.wav	Interior recording of steamtrain steam release. Stereo.
TR Interior Trashcan Rattle.wav	Rattling trashcan. Stereo Encoded from Double M/S.
TR Interior Window Rattle 01.wav	Rattling window. Metal clacking parts. Stereo Encoded from Double M/S.
TR Interior Window Rattle 02.wav	Rattling window. Metal clacking and light squeaking parts. Stereo Encoded from Double M/S.
TR EXT Departure Freight Train, Squeaking.wav	Starting freight train with squeaking metal sounds and low clacks. Recorded at the back of the train. Stereo.
TR EXT Departure Freight Train, Creaking.wav	Starting freight train with low clacking sounds and rattling parts. Recorded at the back of the train. Stereo.
TR EXT Departure Freight Train, Rattle.wav	Starting freight train with low rumble, metal grinding and rattling parts. Recorded at the back of the train. Stereo.
TR EXT Arrival Modern Train, Brakes, Squeal.wav	Electric train arrival. Air release, low clacks and brakes squeaking. Stereo.

trains

TRAINS - STEREO VERSION - DATA SHEET

FILENAME	DESCRIPTION
TR EXT Arrival Freight Train, Brakes, Distant Squeal.wav	Freight train arrival. Low clacks, metal squeaking and distant braking sound. Stereo.
TR EXT Arrival Freight Train, Brakes, Tonal Squeal.wav	Freight train arrival. Braking sounds, low clacks and grinding parts. Stereo.
TR EXT Arrival Freight Train, Brakes, High Squeal.wav	Slow incoming freight train. High, long squeaking braking sounds, metal creaks in the end. Stereo.
TR EXT Arrival Freight Train, Brakes, Rattle, Creak.wav	Freight train arrival. Rattling parts, low clacking elements and braking sounds. Electric sizzle. Stereo.
TR EXT Arrival Freight Train, Brakes High Squeal.wav	Freight train arrival. Electric sizzle, low clacking elements and braking sounds. Stereo.
