

No.31

SUGGESTED RETAIL: £7,000.00

No.31 is nothing less than a pure reference model, sculpted from the flanks of the remarkable No.32, but using a newly developed 12" (350mm) all carbon fiber driver. Every facet of No.31 has been comprehensively upgraded and refined from its predecessor. No.31 delivers the classic Reference filter used in No.32, the same dual parametric filters, a driver that handles three times the power to deliver a truly thrilling experience.

When Only the Best Will Do

(BUT YOU'VE RUN OUT OF ROOM)

No.31 exists to satisfy the needs of those who crave the finest yet have space limitations. Whilst some can afford our flagship No.32 model, it is larger and deeper than some rooms can accommodate. How can you best deliver No.32's sound quality, build quality, and thoughtful features with a more compact footprint? Enter No.31.

THE STORY BEHIND THE STACKS

My first CES, 1981 Chicago, Illinois and I felt like a kid in a candy store—from the main floor of McCormick Center where all the big Japanese brands were showing to the Pick Congress Hotel where the best high end audio brands showed in smaller hotel rooms—it was heady stuff for a 22 year old...
