CORRIDOR®

DESIGN **MATTHEW WEATHERLY**

This award-winning collection includes an array of storage + media cabinets. Beautifully engineered with a wealth of user-friendly features like adjustable shelves, hidden wheels, and easy-access back panels. The design features a satin-etched glass top surface and louvered doors that allow a speaker's sound or a remote control's signal to pass through.

8172 AUDIO TOWER

- Two adjustable compartments, with dedicated top media storage shelf
- Satin-etched black glass top conceals a power management compartment
- Lower compartment can be arranged for album storage
- Ventilation through door, shelves and back panels allows heat to escape
